

Wellness Benefits

University of South Alabama

This schedule outlines services and items that the University of South Alabama considers a preventive service under this plan. These services must be performed by a physician in the University of South Alabama Health System provider network or by a dermatologist, endocrinologist, durable medical equipment provider, ancillary service provider, urologist, or rheumatologist provider (as applicable) in the entire VIVA HEALTH network. Many of these services are provided as part of an annual physical. This list does not apply to all VIVA HEALTH plans. Please refer to your Summary Plan Description to determine the terms of your health plan.
