#### What to do now

##### 1. ASK: Which changes apply to you

- Check the changes to our benefits and costs to see if they affect you.
  - Review the changes to Medical care costs (doctor, hospital).
  - Review the changes to our drug coverage, including authorization requirements and costs.
  - Think about how much you will spend on premiums, deductibles, and cost sharing.
- Check the changes in the 2023 *Drug List* to make sure the drugs you currently take are still covered.
- Check to see if your doctors, specialists, hospitals and other providers, including pharmacies will be in our network next year.
- Think about whether you are happy with our plan.

##### 2. COMPARE: Learn about other plan choices

- Check coverage and costs of plans in your area. Use the Medicare Plan Finder at [www.medicare.gov/plan-compare](http://www.medicare.gov/plan-compare) website or review the list in the back of your *Medicare & You 2023* handbook.

Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

**3. CHOOSE:** Decide whether you want to change your plan

- If you don't join another plan by December 7, 2022, you will stay in VIVA MEDICARE *Extra Value*.
- To **change to a different plan**, you can switch plans between October 15 and December 7. Your new coverage will start on **January 1, 2023**. This will end your enrollment with VIVA MEDICARE *Extra Value*.
- Look in section 3.2, page 12 to learn more about your choices.
- If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can switch plans or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

**SECTION 1 Changes to Benefits and Costs for Next Year**

**Section 1.1 – Changes to the Monthly Premium**

Cost	2022 (this year)	2023 (next year)
<b>Monthly premium</b> (You must also continue to pay your Medicare Part B premium unless it is paid for you by Medicaid.)	\$0 or \$32.70 (you pay \$0 because of the level of “Extra Help” you receive).	\$0 or \$35.20 (you pay \$0 because of the level of “Extra Help” you receive).

**Section 1.2 – Changes to Your Maximum Out-of-Pocket Amount**

Medicare requires all health plans to limit how much you pay “out-of-pocket” for the year. This limit is called the “maximum out-of-pocket amount.” Once you reach this amount, you generally pay nothing for covered services for the rest of the year.

Cost	2022 (this year)	2023 (next year)
<b>Maximum out-of-pocket amount</b> Your plan premium (if any), Medicare Part A and Part B premiums, non-Medicare covered eyewear (glasses, contacts, lenses and frames), non-Medicare covered dental services, non-Medicare covered hearing aids, costs for prescription drugs, and any amount you pay over the \$50,000 annual coverage limit for emergency care received outside the United States and its territories do not count toward your maximum out-of-pocket amount.	\$6,600	\$6,600  Because you are not responsible for paying any out-of-pocket costs toward the maximum out-of-pocket amount, you will not reach this limit.

There are changes to our network of providers for next year. **Please review the 2023 *Provider Directory* to see if your providers (primary care physician, specialists, hospitals, etc.) are in our network.**

There are changes to our network of pharmacies for next year. **Please review the 2023 *Pharmacy Directory* to see which pharmacies are in our network.**

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers), and pharmacies that are a part of your plan during the year. If a mid-year change in our providers affects you, please contact Member Services so we may assist.

## Section 1.4 – Changes to Benefits and Costs for Medical Services

---

Please note that the *Annual Notice of Changes* tells you about changes to your Medicare benefits and costs.

We are making changes to costs and benefits for certain medical services next year. The information below describes these changes.

Cost	2022 (this year)	2023 (next year)
<b>Food and Produce</b>	Some members in this plan that meet certain criteria and have specific chronic conditions can get \$25 a month in food/produce (for a total benefit of \$75 per calendar quarter) by ordering from VIVA MEDICARE'S Grocery Catalog. This benefit is offered under a program called Special Supplemental Benefits for the Chronically Ill (SSBCI).	For 2023, all members in this plan that receive assistance called "Extra Help" or "Limited Income Subsidy (LIS)" can get \$30 a month in food/produce (for a total benefit of \$90 per calendar quarter), by ordering from VIVA MEDICARE'S Grocery Catalog. This benefit is offered under a program called "Value-Based Insurance Design (VBID) Model." Food and produce items must be ordered through VIVA MEDICARE'S vendor, NationsBenefits. Please refer to your <i>Evidence of Coverage</i> for more information.

---

## Section 1.5 – Changes to Part D Prescription Drug Coverage

---

<b>Changes to Our <i>Drug List</i></b>
--

Our list of covered drugs is called a *Formulary* or "*Drug List*." A copy of our *Drug List* is provided electronically on our website at [www.VivaHealth.com/Medicare/Member-Resources](http://www.VivaHealth.com/Medicare/Member-Resources).

We made changes to our *Drug List*, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the *Drug List* to make sure your drugs will be covered next year and to see if there will be any restrictions.**

Most of the changes in the *Drug List* are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a

product manufacturer. We update our online *Drug List* to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your *Evidence of Coverage* and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Member Services for more information.

### Changes to Prescription Drug Costs

There are four “drug payment stages.”

The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

**Important Message About What You Pay For Vaccines** - Our plan covers most Part D vaccines at no cost to you (if you have "Extra Help," you will not pay cost sharing for Part D vaccines covered by our plan because VIVA MEDICARE *Extra Value* participates in the Value Based Insurance Design (VBID) Model. **SECTION 3 Deciding Which Plan to Choose**

**Section 3.1 – If you want to stay in VIVA MEDICARE *Extra Value***

To stay in our plan, you don’t need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in VIVA MEDICARE *Extra Value*.

**Section 3.2 – If you want to change plans**

We hope to keep you as a member next year but if you want to change plans for 2023 follow these steps:

**Step 1: Learn about and compare your choices**

- You can join a different Medicare health plan,
- -- OR-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

To learn more about Original Medicare and the different types of Medicare plans use the Medicare Plan Finder ([www.medicare.gov/plan-compare](http://www.medicare.gov/plan-compare)), read the *Medicare & You 2023* handbook, call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 7.2 ).

As a reminder, VIVA HEALTH, Inc. offers other Medicare health plans. These other plans may differ in coverage, monthly premiums, and cost sharing amounts.

## Step 2: Change your coverage

- To change to a **different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from VIVA MEDICARE *Extra Value*.
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from VIVA MEDICARE *Extra Value*.
- To **change to Original Medicare without a prescription drug plan**, you must either:
  - Send us a written request to disenroll. Contact Member Services if you need more information on how to do so.
  - – *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

If you switch to Original Medicare and do **not** enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan unless you have opted out of automatic enrollment.

## SECTION 4 Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2023.

### Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage plan for January 1, 2023, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2023.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

## SECTION 5 Programs That Offer Free Counseling about Medicare and Medicaid

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In Alabama, the SHIP is called Alabama Department of Senior Services.

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. Alabama Department of Senior Services' counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Alabama Department of Senior Services at 1-877-425-2243 or 1-800-AGELINE (1-800-243-5463). TTY users should call 711. You can learn more about Alabama Department of Senior Services by visiting their website ([www.alabamaageline.gov](http://www.alabamaageline.gov)).

For questions about your Medicaid benefits, contact the Alabama Medicaid Agency at 1-800-362-1504 (toll-free) from 8 a.m. to 4:30 p.m., Monday through Friday. TTY users should call 1-800-253-0799. Ask how joining another plan or returning to Original Medicare affects how you get your Medicaid coverage.

## SECTION 6 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** Because you have Medicaid, you are already enrolled in “Extra Help,” also called the Low Income Subsidy. “Extra Help” pays some of your prescription drug premiums, annual deductibles and coinsurance. Because you qualify, you do not have a coverage gap or late enrollment penalty. If you have questions about “Extra Help,” call:
  - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;

- The Social Security Office at 1-800-772-1213 between 8 a.m. and 7 p.m., Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users should call, 1-800-325-0778; or
- Your State Medicaid Office (applications).
- **Prescription Cost sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost sharing assistance through the Alabama AIDS Drug Assistance Program. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call Alabama AIDS Drug Assistance Program at 1-866-574-9964.
