

We'd like to tell you about some great changes to your 2023 benefits!

Anytime a change is made, we send you a notice, also called an Addendum, to let you know what the changes are and when they will start.

This Addendum explains important changes to your Evidence of Coverage, Annual Notice of Change, and Summary of Benefits.

These changes shown in the chart below impact the following plans and may help you pay less for some Part B prescription drugs: VIVA MEDICARE *Select* (HMO), VIVA MEDICARE *Premier* (HMO), VIVA MEDICARE *Me* (HMO), VIVA MEDICARE *Plus* (HMO), VIVA MEDICARE *Prime* (HMO), VIVA MEDICARE *Classic* (HMO), and VIVA MEDICARE *Preferred* (HMO).

ORIGINAL INFORMATION	UPDATED INFORMATION (What is Changing)	EFFECTIVE DATE
Your 2023 plan documents show that you pay 20% of the cost for Medicare-covered Part B prescription drugs (including chemotherapy drugs).	Each calendar quarter, starting in April, Medicare will review Part B drugs to see which ones have prices that are rising faster than the rate of inflation. These drugs are called "rebatable" Part B drugs. Your cost for these Part B "rebatable" drugs will be limited to the cost set by Original Medicare. This will make your cost between \$0 and 20% of the Medicare-approved payment amount. The list of Part B "rebatable" drugs and the cost for these drugs can change each calendar quarter. Medicare will let VIVA MEDICARE know which drugs are "rebatable" each quarter. This change may help you pay less for some Part B prescription drugs.	4/1/23
Your 2023 plan documents show that you pay 20% of the cost for Medicare-covered Part B prescription drugs, including insulin furnished through durable medical equipment.	You will pay no more than \$35 for a one-month supply of Medicare-covered insulin furnished through durable medical equipment. This change will help you pay less for insulin furnished through insulin pumps.	7/1/23

SECTION 3 Deciding Which Plan to Choose

Section 3.1 – If you want to stay in VIVA MEDICARE *Select*

To stay in our plan, you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in VIVA MEDICARE *Select*.

Section 3.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change plans for 2023 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- -- *OR*-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, there may be a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the *Medicare & You 2023* handbook, call your State Health Insurance Assistance Program (SHIP) (see Section 5), or call Medicare (see Section 7.2).

As a reminder, VIVA HEALTH, Inc. offers other Medicare health plans. These other plans may differ in coverage, monthly premiums, and cost sharing amounts.

Step 2: Change your coverage

- To change **to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from VIVA MEDICARE *Select*.
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from VIVA MEDICARE *Select*.
- To **change to Original Medicare without a prescription drug plan**, you must either:
 - Send us a written request to disenroll. Contact Member Services if you need more information on how to do so.
 - – *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

SECTION 4 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2023.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage plan for January 1, 2023, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2023.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

SECTION 5 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In Alabama, the SHIP is called Alabama Department of Senior Services.

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. Alabama Department of Senior Services’ counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Alabama Department of Senior Services at 1-877-425-2243 or 1-800-AGELINE (1-800-243-5463). You can learn more about Alabama Department of Senior Services by visiting their website (www.alabamaageline.gov).

SECTION 6 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. To see if you qualify, call:

 - Your State Medicaid Office (applications).
- **What if you have coverage from an AIDS Drug Assistance Program (ADAP)?** The AIDS Drug Assistance Program (ADAP) helps ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost sharing assistance through the Alabama AIDS Drug Assistance Program. **Note:** To be eligible for the ADAP operating in your State, individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status.

If you are currently enrolled in an ADAP, it can continue to provide you with Medicare Part D prescription cost sharing assistance for drugs on the ADAP formulary. In order to be sure you continue receiving this assistance, please notify your local ADAP enrollment worker of any changes in your Medicare Part D plan name or policy number. You can reach the Alabama AIDS Drug Assistance Program at 1-866-574-9964.
