

ATTACHMENT F SABBATICAL LEAVE RIDER

The benefits in this rider supplement the benefits set forth in the Certificate, of which this rider is a part. Nothing contained herein shall be held to vary, alter, waive or extend any of the terms, conditions, provisions or limitations of the Certificate, except as expressly stated below. Capitalized terms have the meaning ascribed to them in the Certificate.

I. Benefit

Services to treat an illness or injury for a Subscriber on sabbatical leave and his/her Covered Dependents will be covered while they are outside of the Service Area, subject to the Copayments in Attachment A and the maximum benefit listed below. To be covered, the Subscriber must provide adequate proof of sabbatical leave to VIVA Health from the employer prior to the leave. The Member must also secure authorization from VIVA Health prior to obtaining health services.

Health services provided in the Service Area and Emergency Services continue to be covered according to the terms of the Certificate and are not modified by this rider.

Sabbatical leave is a period of paid leave granted to faculty members by the Employer to pursue professional development, a program of investigation, creative writing or artistry, and the like.

Maximum Benefit Per Calendar Year	[\$1,000]
-----------------------------------	-----------

II. Limitations

Covered Services under this Rider are limited to health services to treat an illness or injury only and **do not include preventive care**. Elective surgery is covered in the Service Area only, subject to the limitations, Copayments, Coinsurance or Deductibles and required authorizations stated in the Certificate and Attachment A thereto.
