**NOTE:** This is only a brief summary of benefits and limitations. Limitations and coverage maximums apply. See the Attachment A for each plan and Certificate of Coverage for more information.

¹Subject to Calendar Year deductible (deductible counts toward the Calendar Year Out-of-Pocket Maximum). ²Deductible does not apply to Specialty Drugs ordered through Express Scripts but will apply to such drugs when provided directly by a physician or hospital. ³Some medications may require prior authorization from VIVA HEALTH. For further information, please contact Customer Service. When generic is available, Member pays difference between generic and Brand price, plus Copayment. Check with your participating pharmacy to learn if it is eligible to offer a 90-day supply at retail. ⁴May be administered in the home, physician's office, or on an outpatient basis. When these medications are received from Express Scripts, they must be ordered by calling 1-800-803-2523. For a list of medications in this category, please refer to www.vivaemployer.com/Members/Default.aspx. ⁵A 90-day supply is as written by the provider, unless adjusted based on the drug manufacturer's packaging size, or based on supply limits.
