Section 1 – Introduction

This directory provides a list of VIVA MEDICARE *Me* at Southeast Health network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your **P**rietary **C**are **P**hysician (PCP). The term “PCP” is used throughout this directory. A network provider listed in the Family Practice, Internal Medicine, Geriatrics, or General Medicine sections of this directory can be your PCP. Generally, you must get your health care services from your PCP. If you do not select a PCP, VIVA MEDICARE will select one on your behalf and notify you. If you would like to change to a different PCP, please call VIVA MEDICARE *Me* Member Services at the number listed on page 1 of this directory. You generally do not need a referral (approval your PCP requests from the plan) to see a specialist. You may simply call the specialist's office for an appointment. However, before you see a provider listed in this directory as a Pain Management specialist, your PCP must first get approval from the plan. For more information about this, see Chapter 3, Section 2.3 of your Evidence of Coverage.

The network providers listed in this directory have agreed to provide you with your health care and vision services. You may go to any of our network providers listed in this directory. However, as explained above, your PCP must first get approval from the plan before you see a Pain Management specialist or a provider listed in the Supplemental Network section. If you have been going to one network provider, you are not required to continue going to that same provider. In some limited cases, you may get covered services from network providers in another provider system or from non-network providers. This directory lists the Brookwood Baptist Physician Alliance and supplemental providers you can see in the VIVA MEDICARE *Me* at Brookwood Baptist Health Provider System. While VIVA MEDICARE contracts with additional providers for our other Medicare plans, members of the VIVA MEDICARE *Me* plan have a limited provider network that is a subset of the larger VIVA MEDICARE network. As a VIVA MEDICARE *Me* member, you agree to get your care from the providers in the VIVA MEDICARE *Me* at Brookwood Baptist Physician network. Routine care from VIVA MEDICARE providers who are not in the VIVA MEDICARE *Me* at Brookwood Baptist Health Provider System are not covered.

Other providers are available in our network. This directory contains a sub-network of VIVA MEDICARE providers that you must use for covered services. Directories for other VIVA MEDICARE provider systems are available from Member Services and online at www.VivaHealth.com/Medicare.

Section 1 – Introduction Continued

Your PCP's name and telephone number are listed on your VIVA MEDICARE member identification card. It is very important that you present this identification card, not your Medicare card, whenever you receive medical care or get a prescription filled. This will help ensure you receive services from providers contracted by VIVA MEDICARE. Prior authorization is when you must receive approval in advance to get certain services or certain drugs. Some in-network medical services and drugs are covered only if your doctor or other network provider gets "prior authorization" from our plan. Services requiring prior authorization are marked in *italics* in the Medical Benefits Chart in Chapter 4 of your VIVA MEDICARE Evidence of Coverage. Covered drugs that need prior authorization are marked in the formulary. You must use network providers in your provider system except in emergency or urgent care situations or for out-of-area renal dialysis services. You may get emergency services from the closest available provider, and you may get urgently needed services from any qualified provider when out of the plan's service area or when network providers are unavailable. If you get routine care from providers in another provider system or from out-of-network providers without prior authorization from the plan, neither Medicare nor VIVA MEDICARE will be responsible for the costs. In the case of urgent and emergent care or out-of-area dialysis, if an out-of-network provider sends you a bill, you should not pay that bill. Please contact Member Services or send the bill to VIVA MEDICARE so we can determine the amount you owe, if any.

What is the service area for VIVA MEDICARE Me?

The counties in our service area are listed below:

Dale, Geneva, Henry, and Houston Counties in Alabama.

Section 1 – Introduction Continued

How do you find VIVA MEDICARE *Me* providers in your area?

When you select a PCP, you are also choosing your provider system. While VIVA MEDICARE may contract with specialists, hospitals, and ancillary providers in other provider systems, you will receive your care only from those providers in the provider directory for your selected provider system. Since these are the providers we are paying to provide your care, they are the ones you must use (except in emergencies and urgent situations anywhere, for dialysis when you are outside the VIVA MEDICARE service area, or when you have prior authorization). You will use the specialists in your selected provider system. Should you require hospital services, your physician will admit you to your selected provider system hospital(s). Of course, if a covered service is not available from your selected provider system, you may see a network provider outside your provider system. To see a network provider outside of your provider system, your PCP must call our Medical Management Department to request a prior authorization from VIVA MEDICARE on your behalf. To change provider systems, you must call Member Services at the number at the end of this section and choose a PCP in the provider system that you want to join.

This directory provides a listing of network VIVA MEDICARE *Me* providers in your selected provider system. The directory is separated into two sections:

- The first section is for the providers who **ARE** part of the Brookwood Baptist Physician Alliance. You can see most of these providers without a referral from your PCP. Your PCP must first get approval from the plan before you see a Pain Management specialist listed in this directory.
- The second section is for providers who **ARE NOT** part of the Brookwood Baptist Physician Alliance, but are part of its supplemental network. Therefore, they are part of the VIVA MEDICARE *Me* network and are referred to as “Brookwood Baptist Physician Alliance – Supplemental Network.” You must have a referral from your PCP to see one of these physicians or go to one of the facilities in the supplemental network in order for your services to be covered by the plan.

Section 1 – Introduction Continued

Facilities and providers in each section are listed in the following order: County, Hospitals, Health Centers and Urgent Care Facilities, Primary Care Physicians, Specialists (in alphabetical order by specialty), and Ancillary Providers (such as ambulances, diagnostic services, DME (durable medical equipment), home health, home infusions, labs, physical therapy, surgery and dialysis centers, prosthetics/orthotics, and skilled nursing facilities). VIVA MEDICARE *Me* members can also go to any Medicare-approved hospice facility. To find the page where a particular provider is listed, please see the index at the end of this directory.

If a PCP has a  next to his/her name, the doctor will only accept existing patients (patients the doctor already has a relationship with).

If you have both Medicare and Medicaid as a Full Benefit Dual Eligible (FBDE), Qualified Medicare Beneficiary Plus (QMB Plus), Qualified Medicare Beneficiary Only (QMB Only), or Specified Low-Income Medicare Beneficiary Plus (SLMB Plus), VIVA MEDICARE has a special agreement with the Alabama Medicaid Agency. Under this agreement, VIVA MEDICARE pays Medicaid's full share of the cost for all Medicare-covered medical services. Therefore, our members do not have to worry whether their VIVA MEDICARE provider also accepts Medicaid.

Certain drugs are covered under Medicare Part B. Many of these drugs require prior authorization from VIVA MEDICARE (see your Evidence of Coverage for more information). Generally, you must receive Medicare Part B drugs from a network provider listed in this directory. Sometimes these drugs are provided by a physician, home infusion, or infusion therapy provider.

Please see your Pharmacy Directory for a listing of network pharmacies where you can obtain Part D drugs.

Some drugs can be covered under either Medicare Part B or Part D, depending on the circumstances. Prescriptions for these drugs may be filled at network pharmacies even when they are covered under Medicare Part B.

If you have questions about VIVA MEDICARE or require assistance in selecting a PCP, please call our Member Services Department at 1-800-633-1542 (toll-free), Monday-Friday, 8 a.m. – 8 p.m. (October 1 – March 31: seven days a week, 8 a.m. – 8 p.m.). TTY users should call 711. You can also visit www.VivaHealth.com/Medicare.
