

## We'd like to tell you about some great changes to your 2023 benefits!

Anytime a change is made, we send you a notice, also called an Addendum, to let you know what the changes are and when they will start.

This Addendum explains important changes to your Evidence of Coverage, Annual Notice of Change, and Summary of Benefits.

These changes shown in the chart below impact the following plans and may help you pay less for some Part B prescription drugs: VIVA MEDICARE Select (HMO), VIVA MEDICARE Premier (HMO), VIVA MEDICARE Me (HMO), VIVA MEDICARE Plus (HMO), VIVA MEDICARE Prime (HMO), VIVA MEDICARE Classic (HMO), and VIVA MEDICARE Preferred (HMO).

ORIGINAL INFORMATION	UPDATED INFORMATION <i>(What is Changing)</i>	EFFECTIVE DATE
Your 2023 plan documents show that you pay 20% of the cost for Medicare-covered Part B prescription drugs (including chemotherapy drugs).	Each calendar quarter, starting in April, Medicare will review Part B drugs to see which ones have prices that are rising faster than the rate of inflation. These drugs are called "rebatable" Part B drugs. Your cost for these Part B "rebatable" drugs will be limited to the cost set by Original Medicare. This will make your cost between \$0 and 20% of the Medicare-approved payment amount. The list of Part B "rebatable" drugs and the cost for these drugs can change each calendar quarter. Medicare will let VIVA MEDICARE know which drugs are "rebatable" each quarter. <b>This change may help you pay less for some Part B prescription drugs.</b>	4/1/23
Your 2023 plan documents show that you pay 20% of the cost for Medicare-covered Part B prescription drugs, including insulin furnished through durable medical equipment.	You will pay no more than \$35 for a one-month supply of Medicare-covered insulin furnished through durable medical equipment. <b>This change will help you pay less for insulin furnished through insulin pumps.</b>	7/1/23

## SECTION I - INTRODUCTION TO SUMMARY OF BENEFITS

The benefit information provided is a summary of what we cover and what you pay. It does not list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the “**Evidence of Coverage**.” You can also see the Evidence of Coverage on our website, [www.VivaHealth.com/Medicare/Member-Resources](http://www.VivaHealth.com/Medicare/Member-Resources).

### You have choices about how to get your Medicare benefits

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.
- Another choice is to get your Medicare benefits by joining a Medicare health plan (such as **VIVA MEDICARE Classic** or **VIVA MEDICARE Preferred**).

### Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what **VIVA MEDICARE Classic** and **VIVA MEDICARE Preferred** cover and what you pay.

- If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder on <https://www.medicare.gov>.
- If you want to know more about the coverage and costs of Original Medicare, look in your current “**Medicare & You**” handbook. View it online at <https://www.medicare.gov> or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

## SECTION I - INTRODUCTION TO SUMMARY OF BENEFITS

### How will I determine my drug costs?

Our plan groups each medication into one of five "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document, we discuss the benefit stages that occur: Initial Coverage, Coverage Gap, and Catastrophic Coverage.

**If you have any questions about this plan's benefits or costs, please contact
