This directory provides a list of VIVA Medicare Plus' plan providers.

This directory is for Autauga, Blount, Bullock, Calhoun, Cherokee, Chilton, Crenshaw, Cullman, DeKalb, Elmore, Etowah, Jefferson, Lowndes, Macon, Montgomery, Pike, Shelby, and St. Clair counties. This directory includes Anniston, Birmingham, Clanton, Gadsden, Montgomery, Troy, and other cities and towns in these counties.

This directory is current as of February 10, 2010. Some plan providers may have been added or removed from the list after this directory was printed. To get the most up-to-date information about VIVA Medicare Plus plan providers in your area, you can visit www.vivamedicaremember.com or call our Member Services Department at 1-800-633-1542, Monday-Friday, 8 am-8pm. TTY users should call 1-800-548-2546.

Section 1

Introduction

This directory provides a list of VIVA Medicare Plus plan providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of our plan providers that are listed in this directory to be your **P**ersonal **C**are **P**hysician (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your health care coverage from your PCP. You do not need a referral from your PCP to see a specialist in this provider system. You may simply call the specialist's office for an appointment. The "plan providers" listed in this directory have agreed to provide you with your health care coverage. You may go to any of our plan providers listed in this directory. If you have been going to one plan provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-plan providers. Provider directories for other provider systems are available from Member Services and on the web at www.vivamedicaremember.com.

Your PCP's name and telephone number will appear on your VIVA Medicare Plus membership identification card. It is very important that you present this identification card, not your Medicare card, whenever you receive medical care. This will help to ensure that you receive services from providers contracted by VIVA Medicare Plus and associated with your selected provider system. If you get non-emergency care from non-plan (out-of-network) providers without prior authorization you must pay the entire cost yourself, unless the services are urgent and our network is not available or the services are out-of-area dialysis services. If an out-of-network provider sends you a bill that you think we should pay for emergency services, please contact Member Services or send the bill to VIVA Medicare Plus so we can determine enrollee liability, if any. **Prior Authorization** is when you receive approval in advance to get services or certain drugs that may or may not be on our formulary. Some in-network medical services are covered only if your doctor or other network provider gets "prior authorization" from our plan. Services requiring prior authorization (approval in advance) will be marked in italics in

the Medical Benefits Chart in Chapter 4 of your VIVA Medicare Plus Evidence of Coverage. Some drugs are covered only if your doctor or other network provider gets “prior authorization” from us. Covered drugs that need prior authorization are marked in the formulary.

What is the service area for VIVA Medicare Plus?

The counties in our service area are listed below.

Autauga, Blount, Bullock, Calhoun, Cherokee, Chilton, Crenshaw, Cullman, DeKalb, Elmore, Etowah, Jefferson, Lowndes, Macon, Montgomery, Pike, Shelby, and St. Clair counties.

How do you find VIVA Medicare Plus providers in your area?

When you select a PCP, you are also choosing your provider system. While VIVA Medicare Plus may contract with specialists, hospitals and ancillary providers in other provider systems, you will receive your care only from those providers in the provider directory for your selected provider system. Since these are the providers we are paying to provide your care, they are the ones you must use (except in emergencies anywhere, urgent situations, or for dialysis when you are outside the VIVA Medicare Plus Service Area). You can only use the specialists in your selected provider system. Should you require hospital services, your physician will only admit you to your selected provider system hospital(s). Of course, if a covered service is not available from your selected provider system you may see a contracted provider outside your provider system with authorization in advance from VIVA Medicare Plus. You may change your PCP by calling Member Services at the number below.

This directory provides a listing of all contracted VIVA Medicare Plus providers. Providers are listed in the following order: Hospitals, Health Centers and Urgent Care Facilities, Primary Care Physicians, Specialists (in alphabetical order by specialty), and Ancillary Providers (such as ambulance, diagnostic, DME (durable medical equipment), home health, home infusion, lab, physical therapy, surgery and dialysis centers, prosthetics/orthotics, and skilled nursing facilities). VIVA Medicare *Plus* members can also go to any Medicare approved hospice facility. To find the page where a particular provider is listed, please see the index at the end of this directory.

Remember that if a PCP has a “1” next to his/her name the doctor will only accept existing patients (patients the doctor already has a relationship with). Also, if you choose a PCP with a “2” next to his/her name, this indicates the PCP uses a hospitalist. A hospitalist is a physician who specializes in treating people while they are in the hospital. This allows your PCP to continue to see other patients in his or her office while you are hospitalized.

If you have questions about VIVA Medicare *Plus*, please call our Member Services Department at 1-800-633-1542, Monday-Friday, 8 am-8pm. TTY users should call 1-800-548-2546. Or, visit www.vivamedicaremember.com.

If you have both Medicare and Medicaid, VIVA Medicare *Plus* has a special agreement with Medicaid. Under this agreement, we pay Medicaid's share of the cost for all Medicare covered services. Therefore, you do not have to worry whether your VIVA Medicare *Plus* provider also takes Medicaid.

Certain drugs are covered under Medicare Part B. Many of these drugs require prior-authorization from VIVA Health (see your Evidence of Coverage for more information). You must receive Medicare Part B drugs from a network provider listed in this directory. Sometimes these drugs are provided by a physician, home infusion, or infusion therapy provider. Part B drugs may also be provided by our mail order specialty pharmacy: Caremark Therapeutic Services at 1-800-237-2767.

If you have Part D prescription drug coverage, please see your Pharmacy Directory for a listing of network pharmacies in your area where you can obtain Part D drugs.
