SECTION 1 Changes to Benefits & Costs for Next Year

Section 1.1 Changes to the Monthly Plan Premium

	2025 (this year)	2026 (next year)
<p><b>Monthly plan premium</b></p> <p>(You must also continue to pay your Medicare Part B premium.)</p> <p><b>There is no change to your premium for 2026.</b></p>	\$0	\$0
<p><b>Part B premium reduction</b></p> <p>This amount will be deducted from your Part B premium. This means you'll pay less for Part B.</p>	<p>Our plan provides a Medicare Part B premium reduction that lowers the cost of your monthly Medicare Part B premium by \$33 a month (if you are not receiving government assistance that pays the Medicare Part B premium for you). Depending on how you pay your monthly Medicare Part B premium the reduction will be credited to your Social Security check or credited to the amount you owe for your monthly Part B premium.</p>	<p><b>Our plan provides a Medicare Part B premium reduction that lowers the cost of your monthly Medicare Part B premium by \$25 a month (if you are not receiving government assistance that pays the Medicare Part B premium for you). Depending on how you pay your monthly Medicare Part B premium the reduction will be credited to your Social Security check or credited to the amount you owe for your monthly Part B premium.</b></p>

**Factors that could change your Part D Premium Amount**

- Late Enrollment Penalty - Your monthly plan premium will be *more* if you're required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that's at least as good as Medicare drug coverage (also referred to as creditable coverage) for 63 days or more.
- Higher Income Surcharge - If you have a higher income, you may have to pay an additional amount each month directly to the government for Medicare drug coverage.

**Section 1.2 Changes to Your Maximum Out-of-Pocket Amount**

Medicare requires all health plans to limit how much you pay out-of-pocket for the year. This limit is called the maximum out-of-pocket amount. Once you've paid this amount, you generally pay nothing for covered services for the rest of the calendar year.

	2025 (this year)	2026 (next year)
<p><b>Maximum out-of-pocket amount</b></p> <p>Your costs for covered medical services (such as copayments) <b>count</b> toward your maximum out-of-pocket amount.</p> <p>Our plan premium (if any), Medicare Part A and Part B premiums, non-Medicare-covered eyewear (glasses, contacts, lenses and frames), non-Medicare-covered dental services, non-Medicare-covered hearing aids, costs for prescription drugs, and any amount you pay over the \$50,000 annual coverage limit for emergency care received outside the United States and its territories <b>don't count</b> toward your maximum out-of-pocket amount.</p> <p><b>There is no change in your maximum out-of-pocket for 2026.</b></p>	\$6,500	<p><b>\$6,500</b></p> <p><b>Once you've paid \$6,500 out-of-pocket for covered services, you'll pay nothing for your covered services for the rest of the calendar year.</b></p>

Section 1.3 Changes to the Provider Network

Our network of providers has changed for next year. Review the 2026 *Provider Directory* at [www.VivaHealth.com/Medicare/Member-Resources](http://www.VivaHealth.com/Medicare/Member-Resources) to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network. Here's how to get an updated *Provider Directory*:

- Visit our website at [www.VivaHealth.com/Medicare/Member-Resources](http://www.VivaHealth.com/Medicare/Member-Resources).
- Call Member Services at 1-800-633-1542 (TTY users call 711) to get current provider information or to ask us to mail you a *Provider Directory*.

We can make changes to the hospitals, doctors, and specialists (providers) that are part of our plan during the year. If a mid-year change in our providers affects you, call Member Services at 1-800-633-1542 (TTY users call 711) for help. For more information on your rights when a network provider leaves our plan, go to Chapter 3, Section 2.3 of your *Evidence of Coverage*.

## Section 1.4 Changes to the Pharmacy Network

Amounts you pay for your prescription drugs can depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered *only* if they are filled at one of our network pharmacies.

Our network of pharmacies has changed for next year. Review the 2026 *Pharmacy Directory* at [www.VivaHealth.com/Medicare/Member-Resources](http://www.VivaHealth.com/Medicare/Member-Resources) to see which pharmacies are in our network. Here's how to get an updated *Pharmacy Directory*:

- Visit our website at [www.VivaHealth.com/Medicare/Member-Resources](http://www.VivaHealth.com/Medicare/Member-Resources).
- Call Member Services at 1-800-633-1542 (TTY users call 711) to get current pharmacy information or to ask us to mail you a *Pharmacy Directory*.

We can make changes to the pharmacies that are part of our plan during the year. If a mid-year change in our pharmacies affects you, call Member Services at 1-800-633-1542 (TTY users call 711) for help.

## Section 1.6 Changes to Part D Drug Coverage

### Changes to Our *Drug List*

Our list of covered drugs is called a *formulary* or *Drug List*. A copy of our *Drug List* is provided electronically on our website at [www.VivaHealth.com/Medicare/Member-Resources](http://www.VivaHealth.com/Medicare/Member-Resources).

We made changes to our *Drug List*, which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs, or moving them to a different cost-sharing tier. **Review the *Drug List* to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in the *Drug List* are new for the beginning of each year. However, we might make other changes that are allowed by Medicare rules that will affect you during the calendar year. We update our online *Drug List* at least monthly to provide the most up-to-date list of drugs. If we make a change that will affect your access to a drug you're taking, we'll send you a notice about the change.

If you're affected by a change in drug coverage at the beginning of the year or during the year, review Chapter 9 of your *Evidence of Coverage* and talk to your prescriber to find out your options, such as asking for a temporary supply, applying for an exception, and/or working to find a new drug. Call Member Services at 1-800-633-1542 (TTY users call 711) for more information.

## Section 1.7 Changes to Prescription Drug Benefits & Costs

### Do you get Extra Help to pay for your drug coverage costs?

If you're in a program that helps pay for your drugs (Extra Help), **the information about costs for Part D drugs does not apply to you.** We have included separate material, called the *Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs*, which tells you about your drug costs. If you get Extra Help and didn't get this material with this packet call Member Services at 1-800-633-1542 (TTY users call 711) and ask for the *LIS Rider*.

### Drug Payment Stages

There are **3 drug payment stages**: the Yearly Deductible Stage, the Initial Coverage Stage, and the Catastrophic Coverage Stage. The Coverage Gap Stage and the Coverage Gap Discount Program no longer exist in the Part D benefit.

- ***Stage 1: Yearly Deductible***

You start in this payment stage each calendar year. During this stage, you pay the full cost of your Tier 3, Tier 4, and Tier 5 drugs until you've reached the yearly deductible. The deductible does not apply to covered insulin products and most adult Part D vaccines.

- ***Stage 2: Initial Coverage***

Once you pay the yearly deductible, you move to the Initial Coverage Stage. In this stage, our plan pays its share of the cost of your drugs, and you pay your share of the cost. You generally stay in this stage until your year-to-date out-of-pocket costs reach \$2,100.

- ***Stage 3: Catastrophic Coverage***

This is the third and final drug payment stage. In this stage, you pay nothing for your covered Part D drugs. You generally stay in this stage for the rest of the calendar year.

The Coverage Gap Discount Program has been replaced by the Manufacturer Discount Program. Under the Manufacturer Discount Program, drug manufacturers pay a portion of our plan's full cost for covered Part D brand name drugs and biologics during the Initial Coverage Stage and the Catastrophic Coverage Stage. Discounts paid by manufacturers under the Manufacturer Discount Program don't count toward out-of-pocket costs.

### **Drug Costs in Stage 1: Yearly Deductible**

The table shows your cost per prescription during this stage.

	2025 (this year)	2026 (next year)
Yearly Deductible	<p>\$0</p> <p>Because we have no deductible, this payment stage does not apply to you.</p>	<p><b>\$100 for Tier 3, Tier 4, and Tier 5</b></p> <p><b>During this stage, you pay \$0 for drugs on Tier 1, \$12 cost-sharing for drugs on Tier 2 (30-day supply), and the full cost of drugs on Tier 3, Tier 4, and Tier 5 until you’ve reached the yearly deductible. The deductible does not apply to covered insulin products and most adult Part D vaccines.</b></p>

**Drug Costs in Stage 2: Initial Coverage**

The table shows your cost per prescription for a one-month (30-day) supply filled at a network pharmacy. We changed the tier for some of the drugs on our *Drug List*. To see if your drugs will be in a different tier, look them up on the *Drug List*. Most adult Part D vaccines are covered at no cost to you. For more information about the costs of vaccines, or information about the costs for a long-term supply or mail-order prescriptions, go to Chapter 6 of your *Evidence of Coverage*.

Once you’ve paid \$2,100 out-of-pocket for covered Part D drugs, you’ll move to the next stage (the Catastrophic Coverage Stage).

## Changes to the Catastrophic Coverage Stage

**If you reach the Catastrophic Coverage Stage, you pay nothing for your covered Part D drugs.**

For specific information about your costs in the Catastrophic Coverage Stage, go to Chapter 6, Section 6 in your *Evidence of Coverage*.

## SECTION 2 Administrative Changes

	2025 (this year)	2026 (next year)
<b>Medicare Prescription Payment Plan</b>	<p>The Medicare Prescription Payment Plan is a payment option that began this year and can help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across the calendar year (January-December).</p> <p>You may be participating in this payment option.</p>	<p><b>If you're participating in the Medicare Prescription Payment Plan and stay in the same Part D plan, your participation will be automatically renewed for 2026.</b></p> <p><b>To learn more about this payment option, call us at 1-866-788-5146 (TTY users call 711) or visit <a href="http://www.Medicare.gov">www.Medicare.gov</a>.</b></p>

## SECTION 3 How to Change Plans

**To stay in VIVA MEDICARE *Infirmity Health Advantage*, you don't need to do anything.**

Unless you sign up for a different plan or change to Original Medicare by December 7, you'll automatically be enrolled in VIVA MEDICARE *Infirmity Health Advantage*.

If you want to change plans for 2026, follow these steps:

- **To change to a different Medicare health plan**, enroll in the new plan. You'll be automatically disenrolled from VIVA MEDICARE *Infirmity Health Advantage*.

- **To change to Original Medicare with Medicare drug coverage**, enroll in the new Medicare drug plan. You'll be automatically disenrolled from VIVA MEDICARE *Infirmity Health Advantage*.
- **To change to Original Medicare without a drug plan**, you can send us a written request to disenroll. Call Member Services at 1-800-633-1542 (TTY users call 711) for more information on how to do this. Or call **Medicare** at 1-800-MEDICARE (1-800-633-4227) and ask to be disenrolled. TTY users can call 1-877-486-2048. If you don't enroll in a Medicare drug plan, you may pay a Part D late enrollment penalty (go to Section 1.1).
- **To learn more about Original Medicare and the different types of Medicare plans**, visit [www.Medicare.gov](http://www.Medicare.gov), check the *Medicare & You 2026* handbook, call your State Health Insurance Assistance Program (go to Section 5), or call 1-800-MEDICARE (1-800-633-4227). As a reminder, VIVA HEALTH offers other Medicare health plans. These other plans can have different coverage, monthly plan premiums, and cost-sharing amounts.

### Section 3.1 Deadlines for Changing Plans

People with Medicare can make changes to their coverage from **October 15 – December 7** each year.

If you enrolled in a Medicare Advantage plan for January 1, 2026, and don't like your plan choice, you can switch to another Medicare health plan (with or without Medicare drug coverage) or switch to Original Medicare (with or without separate Medicare drug coverage) between January 1 – March 31, 2026.

### Section 3.2 Are there other times of the year to make a change?

In certain situations, people may have other chances to change their coverage during the year. Examples include people who:

- Have Medicaid
- Get Extra Help paying for their drugs
- Have or are leaving employer coverage
- Move out of our plan's service area

If you recently moved into, or currently live in, an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (with or without Medicare drug coverage) or switch to Original Medicare (with or without separate Medicare drug coverage) at any time. If you recently moved out of an institution, you have an opportunity to switch plans or switch to Original Medicare for 2 full months after the month you move out.

## SECTION 4 Get Help Paying for Prescription Drugs

---

You may qualify for help paying for prescription drugs. Different kinds of help are available:

- **Extra Help from Medicare.** People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly drug plan premiums, yearly deductibles, and coinsurance. Also, people who qualify won't have a late enrollment penalty. To see if you qualify, call:
  - 1-800-MEDICARE (1-800-633-4227). TTY users can call 1-877-486-2048, 24 hours a day, 7 days a week.
  - Social Security at 1-800-772-1213 between 8 a.m. and 7 p.m., Monday – Friday for a representative. Automated messages are available 24 hours a day. TTY users can call 1-800-325-0778.
  - Your State Medicaid Office.
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible people living with HIV/AIDS have access to life-saving HIV medications. To be eligible for the ADAP operating in your state, you must meet certain criteria, including proof of state residence and HIV status, low income as defined by the state, and uninsured/under-insured status. Medicare Part D drugs that are also covered by ADAP qualify for prescription cost-sharing help through the Alabama AIDS Drug Assistance Program. For information on eligibility criteria, covered drugs, how to enroll in the program, or, if you're currently enrolled, how to continue getting help, call Alabama AIDS Drug Assistance Program at 1-866-574-9964. Be sure, when calling, to inform them of your Medicare Part D plan name or policy number.
- **The Medicare Prescription Payment Plan.** The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across the calendar year (January – December). Anyone with a Medicare drug plan or Medicare health plan with drug coverage (like a Medicare Advantage plan with drug coverage) can use this payment option. **This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs.**

Extra Help from Medicare and help from your ADAP, for those who qualify, is more advantageous than participation in the Medicare Prescription Payment Plan. All members are eligible to participate in the Medicare Prescription Payment Plan payment option. To learn more about this payment option, please contact CVS Caremark Customer Care at 1-866-788-5146 (TTY only, call 711) or visit [www.Medicare.gov](http://www.Medicare.gov).
