VIVA HEALTH CERTIFICATE OF COVERAGE

Your Certificate of Coverage is an extremely important document. It contains detailed information about Covered Services, services which are excluded or limited, your legal rights as a VIVA HEALTH, Inc. Member, and other important information about your health care Plan. **Please read this Certificate carefully and keep it with your Summary of Benefits. It is the Subscriber's responsibility to review all plan materials with their Covered Dependents, if any. Additional copies of this Certificate are available upon request.**

Members of this Plan may see any VIVA HEALTH Participating Physician. Referrals from the Personal Care Provider (PCP) are not required for visits to Participating Specialists to be covered. Some services require prior-authorization to be covered. These are listed in Part VIII. Please see the provider directory for a list of the Plan's Participating Providers. The current provider directory is available by calling Customer Service and on the web at www.vivahealth.com. Emergency Services are covered only for treatment of Emergency Medical Conditions. Always call VIVA HEALTH as soon as possible after receiving Emergency Services. If you are unsure if your condition is an Emergency Medical Condition, contact your PCP or the physician on-call if after hours. Members may use Urgent Care Facilities for Urgently Needed Services.

This Certificate contains information about how VIVA HEALTH operates its care delivery system and an explanation of the benefits to which participants are entitled under the terms of the Plan.

Contact the Customer Service Department at 1-800-294-7780 or 205-558-7474 (in Birmingham) if you have any questions.

GENERAL INFORMATION

A. Introduction

Enrollee coverage is subject to the terms of this Certificate of Coverage and the Group Policy between VIVA HEALTH and the Employer and to the payment of required premiums. You may examine the Group Policy at the office of the Employer. For Covered Services received on or after January 1, 2026, or the Employer Group Policy renewal date, whichever is later, this Certificate replaces and supersedes any Certificate previously issued to you by VIVA HEALTH. Members should read this Certificate in its entirety as many of its provisions are interrelated. VIVA HEALTH reserves the right to change, interpret, modify, withdraw or add benefits or terminate the Group Policy as permitted by law without the approval of Enrollees. This Certificate may be modified by the attachment of riders and/or amendments.

In order for medical services to be considered Covered Services, services must be obtained directly from Participating Providers, with the exception of Emergency Services and Urgently Needed Services at an Urgent Care Facility. Please see Part IX.D. for more information on coverage for Emergency Services and Part VIII.E. for more information on coverage for Urgently Needed Services. **Always call VIVA HEALTH within 24 hours or as soon as reasonably possible after Emergency Services are received.** Follow-up care in an emergency room is not a covered service. Participating Providers may change from time to time, so you should always verify the status of a provider on the web at www.vivahealth.com or by calling VIVA HEALTH.

To be Covered Services, services must be Medically Necessary, included in the Schedule of Benefits, and not excluded in the listing of Plan exclusions. Some services also require prior-authorization from VIVA HEALTH to be Covered Services. The fact that a medical provider performs or prescribes a service or that a service is the only available treatment for a particular medical condition does not mean the service is a Covered Service.

VIVA HEALTH has sole and exclusive discretion in interpreting the benefits covered under this Certificate and the Group Policy. VIVA HEALTH may periodically delegate discretionary authority to other persons or organizations providing services.

B. VIVA HEALTH's Role in Delivering Service

VIVA HEALTH enters contracts with medical providers to provide Covered Services to Enrollees. Participating Providers are independent contractors, not employees of VIVA HEALTH. Contractual arrangements with Participating Providers vary. Some contracts require VIVA HEALTH to pay Participating Providers based on an agreed upon number of Enrollees rather than the amount of Covered Services provided. Contracts may contain incentives for Participating Providers to assist VIVA HEALTH in providing cost-effective care.

Members are responsible for choosing a doctor from among VIVA HEALTH's Participating Providers. Members must decide if the relationship with the selected doctor meets expectations and change doctors if it does not. Members must work with the doctor to decide the types of care or treatment that are appropriate. VIVA HEALTH does not under any circumstances make treatment decisions. VIVA HEALTH only makes administrative decisions about the benefits covered under the Plan for payment purposes. Your financial or family situation, the distance you live from a hospital or other facility or any other non-medical factor is not considered. The Participating Provider is responsible for the quality of care a Member receives and VIVA HEALTH is not liable for any act or omission of a Participating Provider.

MEMBER RIGHTS AND RESPONSIBILITIES

A. Member Rights

1. A Member has the right to timely and effective redress of Complaints through a complaint process.
2. A Member has the right to obtain current information concerning a diagnosis, treatment, and prognosis from a physician or other provider in terms the Member can reasonably be expected to understand. When it is not advisable to give such information to the Member, the information shall be made available to an appropriate person on the Member's behalf.
3. A Member has the right to information about VIVA HEALTH and its services and to be given the name, professional status, and function of any personnel providing health services to them.
4. A Member has the right to give their informed consent before the start of any surgical procedure or treatment.
5. A Member has the right to refuse any drugs, treatment, or other procedure offered to them by the health maintenance organization or its providers to the extent provided by law and to be informed by a Physician of the medical consequences of the Member's refusal of drugs, treatment, or procedure.
6. When Emergency Services are necessary, a Member has the right to obtain such services without unnecessary delay.
7. A Member has the right to see all records pertaining to their medical care unless access is specifically restricted by the attending Physician for medical reasons.
8. A Member has the right to be advised if a health care facility or any of the providers participating in their care propose to engage in or perform human experimentation or research affecting their care or treatment. A Member or legally responsible party on their behalf may, at any time, refuse to participate in or continue in any experimentation or research program to which they have previously given informed consent.
9. A Member has the right to be treated with dignity. VIVA HEALTH recognizes the Member's right to privacy. Personally identifiable health information shall not be released except when proper authorization to release medical records is obtained or when release is allowed or required by law.
10. A Member may obtain the names, qualifications and titles of Participating Providers by contacting VIVA HEALTH's Customer Service Department.
11. A Member has the right to be informed of the rights listed in this subsection.
12. A Member has the right to participate in decision-making regarding their health care.
13. A Member has the right to a candid discussion of appropriate or Medically Necessary treatment options for their conditions, regardless of cost or benefit coverage.

B. Member Responsibilities

1. A Member is responsible for providing, to the extent possible, information needed by professional staff to care for the Member and for following instructions and guidelines given by those providing health care services.
 2. To be Covered Services, all medical care, except Emergency Services and Urgently Needed Services at an Urgent Care Facility, must be obtained through Participating Providers. The only exceptions are services determined not to be available through Participating Providers, which require authorization in advance by VIVA HEALTH. A Member must notify VIVA HEALTH within 24 hours or as soon as reasonably possible after Emergency Services are initially provided by Participating and non-Participating Providers.
 3. Emergency room services may be used only for Emergency Medical Conditions as defined in Part I. It is the Member's responsibility to establish a relationship with a Personal Care Provider in order for the Personal Care Provider to assist the Member in accessing appropriate care when the Member requires treatment for an illness or injury that is not an Emergency Medical Condition.
 4. A Member must always carry their Membership ID card, show it to the provider each time Covered Services are received, and never permit its use by another person.
 5. A Member must notify VIVA HEALTH of any changes in address, eligible family Members, and marital status or if secondary health insurance coverage is acquired.
 6. A Member must pay all applicable Coinsurance, Copayments, and Deductibles directly to the Participating Provider who renders care. Dissatisfaction with the care or service received does not relieve the Member of this financial responsibility.
 7. A Member must cooperate in the administration of the Double Coverage, Coordination of Benefits or Subrogation provisions set forth in Parts V, VI and VII, respectively. Failure to do so may result in VIVA HEALTH denying payment for affected claims.
- C.** No health maintenance organization may, in any event, cancel or refuse to renew a Member solely on the basis of the health of a Member.

PART I. DEFINITIONS

Unlike generics, Biosimilars are similar but not chemically identical to the reference product due to their complex biological nature.

The Deductible applies based on the Calendar Year in which a Member receives the services, even if the services were requested or approved in the previous Calendar Year. The Deductible may change during the course of a Calendar Year for Members in non-Calendar Year plans. If the Deductible increases with a new plan year, the Member may owe Cost Sharing again up to the amount of the increase, even if the Deductible was reached earlier in the Calendar Year. - d. Any unmarried child as described in subsection (b) or (c) above but without regard to age, who (1) is and continues to be incapable of self-sustaining employment by reasons of mental or physical disability, (2) is chiefly dependent (greater than 50%) upon the Subscriber for economic support and maintenance, and (3) has been deemed disabled by the Social Security Administration, provided acceptable proof of such incapacity and dependency is furnished to VIVA HEALTH by the Subscriber no later than thirty (30) days of the child's attainment of age twenty-six (26) and subsequently as may be required by VIVA HEALTH, but not more frequently than annually. In addition, such unmarried child's disability must have commenced prior to the child's reaching age 26 and the child must have been enrolled hereunder as a Covered Dependent immediately prior to attaining age 26; or
- e. The newborn child of a Subscriber will be covered at birth and for subsequent care only if the Subscriber formally enrolls the newborn within thirty (30) days after their birth. The newborn who is not enrolled within thirty (30) days must wait until the next Plan Open Enrollment Period.

A foster child or a child who has been placed in the Subscriber's home (other than for adoption) is not an eligible dependent for purposes of the Plan. A grandchild of Subscriber or Subscriber's spouse shall not be eligible for enrollment under the Plan unless the grandparent is the child's court-appointed legal guardian.

- B. Proof of Eligibility.** VIVA HEALTH reserves the right to require acceptable proof of eligibility at any time. Such proof must be legible and in a format and language that can be easily understood by VIVA HEALTH. In all cases, VIVA HEALTH's determination of eligibility shall be conclusive.

PART III. ENROLLMENT AND EFFECTIVE DATE

- A. Initial Enrollment.** During the Initial Plan Open Enrollment, each Eligible Employee of the Employer shall be entitled to apply for coverage as a Subscriber for oneself and for the employee's eligible dependents, who must be listed on the enrollment application provided by VIVA HEALTH. For Eligible Employees who apply during Initial Plan Open Enrollment, the effective date is the first day of the first Plan Year.
- B. Newly Eligible Employee.** Each new employee of the Employer entering employment subsequent to the Employer's initial enrollment effective date shall be permitted to apply for coverage for oneself and eligible dependents, within thirty (30) days of becoming an Eligible Employee. For Eligible Employees who apply within thirty (30) days of becoming an Eligible Employee, the effective date is the day the new employee became an Eligible Employee when there is no new hire waiting period. When the Employer imposes a new hire waiting period, the effective date is the first day of the month after the new hire waiting period is satisfied.

- C. **Newly Eligible Dependents.** Each Eligible Employee has a thirty (30) day special enrollment period upon marriage, birth, adoption, or placement for adoption. The Eligible Employee and eligible dependents may be enrolled by completing and submitting to VIVA HEALTH a signed enrollment request form within thirty (30) days of the date such person first becomes an eligible dependent. The effective date is the day he/she became an eligible dependent (the date of birth for a newborn or the date of adoption or placement for adoption for a newly adopted child).
- D. **Open Enrollment.** Persons who do not enroll during Initial Plan Open Enrollment or within thirty (30) days of becoming a newly Eligible Employee or a newly eligible dependent may only enroll during an Open Enrollment Period. An Open Enrollment Period shall be held at least annually at which time Eligible Employees and their eligible dependents may enroll as Members under the Plan. The effective date for Eligible Employees and eligible dependents who apply during an Open Enrollment Period will be the first day of the next Plan Year.
- E. **Special Enrollment.** A special enrollment period may be available for an Eligible Employee or eligible dependent who does not enroll under A, B, or C above, had Qualifying Previous Coverage, and lost that other coverage. For the special enrollment period to be available, the loss of other coverage must be because the other coverage was COBRA coverage that was exhausted, the other coverage ended due to loss of eligibility (other than loss due to failure to pay premiums or termination of coverage for cause such as fraud), or the other coverage ended due to an employer's ending contributions toward the other coverage. The Eligible Employee must request enrollment within thirty (30) days of the exhaustion of COBRA continuation coverage, other loss of eligibility, or the employer's ending contributions. However, if the Eligible Employee or eligible dependent is covered under Medicaid or a State child health plan and coverage of the Eligible Employee or eligible dependent under such plan is terminated as a result of the loss of eligibility for such coverage, the Eligible Employee may request coverage under the Plan no later than 60 days after termination of coverage. Also, if the Eligible Employee or eligible dependent becomes eligible for assistance with respect to coverage under the Plan under Medicaid or a State child health plan, the Eligible Employee may request coverage under the Plan no later than 60 days after the date the Eligible Employee or eligible dependent is determined to be eligible for such assistance. For Eligible Employees and eligible dependents applying during the special enrollment period, the effective date is the day following the date of loss of the other coverage.
- F. **Limitations.** Persons initially or newly eligible for enrollment must complete the proper application and submit it to VIVA HEALTH within thirty (30) days of becoming eligible. Persons who do not enroll within thirty (30) days of becoming eligible may be enrolled only during a subsequent Open Enrollment Period. If coverage is terminated, re-enrollment is necessary. Any new coverage shall be effective as if the Member were a new enrollee under Part III.
- G. **Notice of Ineligibility.** It shall be the Subscriber's responsibility to notify VIVA HEALTH of any changes that will affect their eligibility or the eligibility of Covered Dependents for Covered Services. If a Member loses eligibility, VIVA HEALTH has the right to retroactively terminate coverage to the date the Member ceased to be eligible and to recover any costs incurred by the Plan during that period.
- H. **Rules of Eligibility.** No eligible person will be refused enrollment or re-enrollment in the Plan because of their health status, their age (except as provided in Part II.A.2), or their requirements for health services. However, no person is eligible to re-enroll hereunder who has had coverage terminated under Part IV.B. or IV.C.

- I. **Leaves of Absence.** If the Employer is subject to the Family and Medical Leave Act of 1993 (FMLA) and the Employer determines a Subscriber's leave qualifies as FMLA leave, the Subscriber remains eligible for coverage under this Certificate during the FMLA leave. A Subscriber on military leave that is covered by the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) should contact the Employer's Plan Administrator regarding the Subscriber's rights to continue Plan coverage and the Subscriber will remain eligible for coverage under this Certificate to the extent required by USERRA.

PART IV. TERMINATION OF MEMBER'S COVERAGE

Coverage under the Plan will terminate as follows:

- A. The date the Group Policy is terminated by VIVA HEALTH or the Employer as specified in the Group Policy. If the Group Policy is terminated for Employer's failure to pay premiums to VIVA HEALTH as required by the Group Policy, VIVA HEALTH is not liable to the Member for anything resulting from the termination. This includes, but is not limited to, liability for the refunding of any employee premium contributions and payment for health services received by the Member during any resulting break in coverage.
- B. If the Member permits the use of their or any other Member's Plan identification card by any other person, or uses another person's card, the card shall be surrendered to VIVA HEALTH at VIVA HEALTH's request and coverage of the Member may be terminated effective upon written notice by VIVA HEALTH. Both the Subscriber and any Covered Dependents shall be liable to VIVA HEALTH for all costs incurred by the Plan as a result of the misuse of the identification card.
- C. If a Member, on behalf of oneself or another Member, or a person seeking coverage on behalf of the Member, performs an act, practice or omission that constitutes fraud or makes an intentional misrepresentation of material fact, then the coverage of the Member who either furnished such information and/or on whose behalf such information was furnished, may be terminated from the Plan on the date specified by VIVA HEALTH. This includes but is not limited to material information relating to residence and/or employment within the Service Area and material information relating to another person's eligibility for coverage or status as an eligible dependent. In addition, such Member or Members shall be responsible for all costs incurred under the Plan as a result of the fraud or intentional misrepresentation of material fact or VIVA HEALTH may rescind coverage under the Plan retroactively to the date specified by VIVA HEALTH. If the fraudulent activity relates to Plan eligibility, the termination may, at VIVA HEALTH's sole option, be retroactive to the date of enrollment (if the Member was never eligible) or the date the Member ceased to be eligible. VIVA HEALTH will provide the Member with at least 30 days' advance written notice before coverage may be rescinded. The foregoing shall not affect the ability of VIVA HEALTH to cancel or discontinue coverage prospectively or to cancel or discontinue coverage retroactively to the extent such cancellation is attributable to a failure to timely pay the required premiums or contributions toward the cost of coverage. VIVA HEALTH reserves the right to pursue other available remedies in addition to coverage termination.
- D. Subject to the continuation privileges of Part XII hereof, the coverage of any Member who ceases to be eligible shall terminate as of the date on which eligibility ceased; if the coverage of a Subscriber terminates for any reason, then the Covered Dependents enrolled by the Subscriber will cease to be eligible as of the date of the Subscriber's coverage termination.
- E. If a Subscriber's employment or residence is no longer in the Service Area or a Covered Dependent's residence is no longer with the Subscriber or in the Service Area (except in accordance with Part II.A.(2).b and Part II.A.(2).d), termination is the date of such move. The Employer or Subscriber is responsible for notifying VIVA HEALTH of the Subscriber's or Covered Dependent's move from the

Service Area. Coverage will terminate on the date of the move, even if the required notice is not provided.

- F. If the Employer instructs VIVA HEALTH to terminate coverage of a Member, the termination date will be that requested in such notice. VIVA HEALTH is not responsible for any delay in notification of coverage termination from the Employer to VIVA HEALTH. Services received between the date a Member's coverage is terminated by the Employer and the date VIVA HEALTH is notified by the Employer of the termination are not Covered Services even when such services have been authorized by VIVA HEALTH or a Participating Provider. When employment is terminated, most Employers terminate a Subscriber's coverage and the coverage of any Covered Dependents under the Certificate on the day of employment termination or on the last day of the month in which employment terminated. In the event employment is terminated, please consult with the Employer to determine when your coverage under this Certificate ends. In no case will coverage extend beyond the last day of the month following the month of employment termination. If the Subscriber moves outside the Service Area between the date of employment termination and the date coverage ends, coverage for services delivered outside the Service Area is limited to **Emergency Services and Urgently Needed Services at an Urgent Care Facility**.
- G. If the Employer terminates coverage for any reason, the Employer is responsible for notifying Members of the termination.

The Subscriber is responsible for immediately notifying any Covered Dependents of a coverage termination.

PART V. DOUBLE COVERAGE

- A. **Workers' Compensation.** The benefits under the Plan for Members eligible for Workers' Compensation or similar coverage for on-the-job injuries are not designed to duplicate any benefit for which such Members are eligible under the applicable Workers' Compensation Law, and do not affect any requirements for Workers' Compensation Insurance. The Plan shall not cover services denied by Workers' Compensation Insurance with respect to a Member due to the Member's failure to elect such coverage or to comply with its terms and conditions. The Plan shall not cover services required to be covered under the applicable Workers' Compensation Law whether or not the Employer has insurance coverage.
- B. **Medicare.** Subscribers must notify their Employer and VIVA HEALTH when they or their dependents become eligible for Medicare. Except as otherwise provided by applicable federal law that would require the Plan to be the primary payor, the benefits under the Plan for Members aged sixty-five (65) and older, or Members otherwise eligible for Medicare, do not duplicate any benefit to which such Members are eligible under the Medicare Act, including Part B of such Act. Services or expenses that a Member is, or would be, entitled to under Medicare, regardless of whether the Member properly and timely applied for or submitted claims to Medicare, are covered assuming the expenses normally payable by Medicare Parts A and B were covered. VIVA HEALTH will not pay expenses normally payable by Medicare Parts A and B.

If VIVA HEALTH is the secondary payor to Medicare, for primary coverage Members must enroll and maintain coverage under both Medicare Part A and Part B, even if the Member continues to be actively employed. When VIVA HEALTH is secondary and a Member is eligible for primary benefits under Medicare, VIVA HEALTH will process Member claims assuming all benefits offered under the primary coverage have been covered, regardless of whether the Member has elected primary coverage. If the Member is not enrolled in both parts of Medicare or does not follow the rules of Medicare or the Medicare Advantage or similar Medicare plan, the Member could be responsible for large out-of-pocket costs.

VIVA HEALTH is the secondary payor for Members eligible for Medicare due to disability in group health plans sponsored by Employers with fewer than 100 employees.

To the extent permitted by law, where VIVA HEALTH has paid for benefits but Medicare is the responsible payor, acceptance of such services shall be deemed to constitute the Member's consent and agreement that all sums payable pursuant to the Medicare program for services provided hereunder to such Member shall be payable to and retained by VIVA HEALTH.

PART VI. COORDINATION OF BENEFITS

- A. Duplicate Coverage Not Intended.** It is not intended that payments made for services rendered to Members shall exceed one hundred percent (100%) of the cost of the services provided. Therefore, in the case of duplicate coverage, the Plan may recover from the Member or from any other plan under which the Member is covered proceeds consisting of benefits payable to, or on behalf of, the Member up to the amount of the Plan's cost obligation for Covered Services.
- B. Benefit Determinations.** The Plan and the other plan(s) providing benefits shall determine which plan is primarily responsible for payment of covered benefits (*i.e.*, the primary plan). If the Plan is primary, only those services outlined in this Certificate are Covered Services. If Member's other plan is primary, the Plan is secondary. The other plan must, therefore, pay up to its maximum benefit level after which the Plan shall pay for any remaining expenses subject to the following provisions:
1. The total combined payment by the Plan and any other plan to or on behalf of a Member shall not exceed the maximum amount that the Plan would pay if it were primary.
 2. The Plan shall not cover services denied by the primary plan with respect to a Member due to the Member's failure to comply with its terms and conditions, except when such services were provided by or under the care of a Participating Provider.
 3. The Plan shall not be liable for payments for any services or supplies that are not Covered Services under this Certificate. All requirements in Part VIII. Access to Care, including but not limited to requirements related to use of Participating Providers and prior-authorizations, must be met in order for services to be Covered Services even when the Plan is secondary.
 4. Benefits will only be paid for when Covered Services are provided by Participating Providers, except for treatment of Emergency Medical Conditions and Urgently Needed Services at an Urgent Care Facility. The Member must notify VIVA HEALTH within 24 hours or as soon as reasonably possible after Emergency Services are provided by Participating and non-Participating Providers.
- C. Order of Benefit Determination Rules.** The rules determining whether the Plan or another plan is primary will be applied in the following order:
1. The plan having no coordination of benefits provision or non-duplication coverage exclusion shall always be primary.
 2. The plan covering a Member as a Subscriber will be primary for care rendered to that Member. In addition, the benefits of a plan that covers a person as an employee who is neither laid off nor retired (or as that employee's dependent) are determined before those of a plan that covers the person as a laid off or retired employee (or as that employee's dependent). If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of benefits, this provision is ignored.

3. The plan of the parent whose birthday comes first in the Calendar Year shall be primary with respect to dependent coverage. This rule is subject to the following rules for divorced or separated parents:
 - a. If parents are divorced or separated and there is a court decree that establishes financial responsibility for medical, dental, or other health care expenses for the child, the plan covering the child as a dependent of the parent who has the responsibility will be primary.
 - b. In the absence of a court decree, the plan of the parent with legal custody will be primary.
 - c. If the parent with custody has remarried, the order of benefits will be:
 - i. The plan of the parent with custody.
 - ii. The plan of the stepparent with custody.
 - iii. The plan of the parent without custody.
 4. If none of the above rules determine the order of benefits, the benefits of the plan which covered an employee, Member, or Subscriber longer are determined before those of a plan which covered that person for the shorter time.
- D. Right to Receive and Release Necessary Information.** For the purposes of determining the applicability and implementation of the terms of this provision of this Certificate or any provision of similar purpose of any other plan, VIVA HEALTH may, without consent of or notice to any person, release to or obtain from any insurance company or other organization or person any information, with respect to any person, that VIVA HEALTH deems to be necessary for such purposes. Any person claiming benefits hereunder shall furnish VIVA HEALTH such information as may be necessary to implement this provision.
- E. Facility of Payment.** Whenever benefits that should have been provided hereunder in accordance with this Part have been covered under any other plan, VIVA HEALTH shall have the right, exercisable alone and in its sole discretion, to pay over to any organizations making such other payments any amounts it shall determine to be warranted in order to satisfy the intent of this provision. Amounts so paid shall be deemed to be benefits paid hereunder and, to the extent of such payments, the Plan shall be fully discharged from liability hereunder.
- F. Right of Recovery.** Whenever payments have been made under the Plan with respect to allowable expenses in a total amount, at any time, in excess of the maximum amount of payment necessary at that time to satisfy the intent of this provision, VIVA HEALTH shall have the right to recover such payments, to the extent of such excess, from among one or more of the following, as VIVA HEALTH shall determine: any persons to or for or with respect to whom such payments were made, any insurance companies, or any other organizations. Recovery of amounts of payments made on a Member's behalf shall include the reasonable cash value of any benefits provided in the form of services. Nothing in this Part shall be interpreted to require VIVA HEALTH to reimburse a Member in cash for the value of services provided by a plan which provides benefits in the form of services.
- G. Member's Cooperation.** Any Member who fails to cooperate in VIVA HEALTH's administration of this Part will be responsible for the amounts expended by the Plan for services subject to this Part and any legal expenses incurred by VIVA HEALTH to enforce the Plan's rights under this Part.

PART VII. SUBROGATION AND RIGHT OF REIMBURSEMENT

A Member's accepting Covered Services is consent to and confirms VIVA HEALTH's subrogation and reimbursement rights. As used in this Part, "Member" includes any person acting on a Member's behalf, as

well as the Member. The requirements of this subrogation provision may operate only to the extent permitted under statutory law, case law, or other regulations of the State of Alabama, if not pre-empted by federal law.

VIVA HEALTH is subrogated to all rights to recover that a Member has or might have from any third party, in contract, tort or otherwise, for Covered Services that the Plan has provided. VIVA HEALTH also has the right to bring a lawsuit in its own or in the Member's name against any such third party. VIVA HEALTH may contract with another entity to perform subrogation services on its behalf.

In addition, VIVA HEALTH has a separate reimbursement right that is to be paid by a Member out of any recovery from a third party for any injury or illness for which the Plan provided Covered Services. VIVA HEALTH is to be paid and VIVA HEALTH's reimbursement right satisfied first, even if the Member does not recover for all of the Member's claims (that is, the Member is not made whole) or if the Member's recovery is for, or is described as for, the Member's damages other than health care expenses, or the Member is a minor.

VIVA HEALTH has a lien on any amount recovered or to be recovered by a Member from a third party for any injury or illness for which the Plan provided Covered Services. VIVA HEALTH may give notice of its lien to any party that is or may become obligated to pay or that is or may become in possession of an amount that may be subject to the lien.

The amounts of VIVA HEALTH's subrogation rights, reimbursement rights and liens are based on the Covered Services provided for the Member under the Plan and on VIVA HEALTH's fee schedule for Covered Services. This fee schedule is to be used to calculate the amounts regardless of VIVA HEALTH's arrangements with any Participating Providers.

The Member is required to furnish to VIVA HEALTH all information that the Member has concerning any rights to recover from third parties for any injury or illness for which the Plan provided Covered Services. This includes notifying VIVA HEALTH before filing any lawsuit or settling any claim. The Member is required to execute such documents as VIVA HEALTH may request related to VIVA HEALTH's enforcing its subrogation rights, reimbursement rights or liens. The Member is required not to allow VIVA HEALTH's subrogation and reimbursement rights to be limited or reduced by any act or omission by the Member. If the Member does not cooperate as required, VIVA HEALTH may file a lawsuit in its own name against the Member to enforce its rights under this Part, and the Member is to pay VIVA HEALTH's legal expenses incurred to enforce its rights under this Part.

PART VIII. ACCESS TO CARE

- A. Entitlement to Covered Services.** Subject to all terms, conditions, and definitions in this Certificate, each Member shall be entitled to receive Medically Necessary Covered Services set forth in Part IX and the applicable Attachments to this Certificate, which are made a part hereof. Certain Covered Services are subject to payment of Cost Sharing, which is the financial responsibility of the Member and is set forth in Attachment A, Summary of Benefits. Cost Sharing applies based on the Plan benefits on the date the Covered Services were received, regardless of when the Covered Services were requested or approved. If tests or other Covered Services are necessary to determine Medical Necessity, the Member is responsible for the applicable Coinsurance, Copayment or Deductible. If a service that is not a Covered Service was authorized or covered by exception or an error in the past, the Plan is not required to authorize or cover that service going forward.
- B. Participating Providers.** Enrolling for Coverage under the Group Policy does not guarantee Covered Services will be provided by a particular Participating Provider. The directory of Participating Providers is subject to change. Members may call VIVA HEALTH's Customer Service Department or visit the website at www.vivahealth.com to verify that a particular provider is a Participating Provider.

C. Provision of Care.

1. **By Participating Providers:** Except for Emergency Services as set forth in Part IX.D. or as otherwise prior-approved by VIVA HEALTH, all services must be provided by a Participating Provider, subject to the limitations set forth in Part IX and X and the limitations, Coinsurances, Copayments, Deductibles, and any Lifetime maximum set forth in Attachment A. If a Participating Provider's agreement with VIVA HEALTH terminates, a Member shall be required to utilize another Participating Provider. Before accepting services, a Member should verify and is responsible for verifying that the Participating Provider's agreement with VIVA HEALTH has not terminated.
2. **By non-Participating Providers:**
 - a. Under this Certificate, **no charges will be covered** by the Plan for services received by the Member from non-Participating Providers, unless:
 - i. the services are Emergency Services or are Urgently Needed Services delivered at an Urgent Care Facility. Urgently Needed Services will only be covered by non-Participating Urgent Care Facilities when the Urgent Care Facility bills claims with a code that indicates the Urgently Needed Services were provided by an Urgent Care Facility. The Member must notify VIVA HEALTH within 24 hours or as soon as reasonably possible after Emergency Services are initially provided by Participating or non-Participating Providers; or
 - ii. the services are determined NOT to be available in the Service Area through Participating Providers (see paragraph (c) below). If Medically Necessary services are not available in the Service Area through Participating Providers, a prior approval from VIVA HEALTH is required before a Member can receive Covered Services from an appropriate non-Participating Provider. The Plan will cover up to 100% of the actual charges, subject to applicable Coinsurances, Copayments, and Deductibles **if, and only if, VIVA HEALTH's Medical Director has made the determination referred to in paragraph (c) below.**
 - b. If a Member obtains care from a non-Participating Provider without prior-authorization by VIVA HEALTH, **no charges for services will be covered by the Plan, except for Emergency Services.**
 - c. The determination of whether Medically Necessary Covered Services are available through Participating Providers in the Service Area is made by the Medical Director upon request from a Participating Provider or a Member. Members may make the request through VIVA HEALTH Customer Service.
 - d. A non-Participating Provider must furnish proof that the Member actually paid the applicable Copayment or Coinsurance. Without such proof, benefits may not be paid to a non-Participating Provider.

- D. Prior Authorizations.** Certain services and places of service require authorization from VIVA HEALTH prior to receiving a service. If such authorization is not obtained, no charges for those services will be covered by the Plan. The list of Covered Services requiring Prior Authorization is subject to change, and the most recent version is available on www.vivahealth.com or by calling Customer Service. The list of services requiring Prior Authorization includes but is not limited to the following:

1. Hospital admissions and transfers (**if you are admitted to the Hospital for an Emergency Medical Condition, you must call VIVA HEALTH within 24 hours or as soon as reasonably possible for the admission to be a Covered Service**)
2. Outpatient surgery, including wound care
3. Skilled Nursing Facility and Long-Term Acute Care admissions
4. Inpatient rehabilitation or day treatment
5. Pain clinic care
6. Physical, speech and occupational therapy and applied behavior analysis
7. All ancillary services (home health, IV therapy, hospice care, Durable Medical Equipment, orthotics, and prosthetics)
8. Sleep studies: C-PAP, MSLT, PSNG
9. Transplant services
10. Non-emergency Care by non-Participating Providers (only when care is not available through Participating Providers within the Service Area)
11. Imaging services [including, but not limited to, MRIs, MRAs, CT scans, myelograms, nuclear medicine, discograms, PET scans, and 3D and 4D imaging (including ultrasound)]
12. Some scopes performed outside the physician's office excluding colonoscopy and EGD
13. All plastic surgery (see Part X.H.)
14. Some sinus or nasal surgery, excluding in-office scopes
15. Some arteriograms
16. Cardiac and pulmonary rehabilitation
17. Genetic testing
18. Genomic testing
19. Testosterone pellets
20. Intensive Outpatient Programs (IOPs)
21. Partial Hospitalization Programs (PHPs)
22. Specialty Drugs
23. Obstetrical admissions if mother or baby stay longer than 96 hours after delivery
24. Non-emergent ambulance transport
25. Angiograms except when CT guided
26. Photodynamic therapy
27. Psychological and neurological testing (9 or more hours)
28. Proton beam radiotherapy
29. Residential Treatment

E. Services Provided Outside the Service Area. Out-of-Area Services are limited to Emergency Services (as set forth in Part IX.D) and Urgently Needed Services at an Urgent Care Facility (services that are required immediately and unexpectedly), subject to the limitations contained in this Certificate and its Attachments. Urgently Needed Services will only be covered by non-Participating Urgent Care Facilities when the Urgent Care Facility bills claims with a code that indicates the services were provided by an Urgent Care Facility. Services that are not Emergency Services or Urgently Needed Services at an Urgent Care Facility must be authorized in advance by VIVA HEALTH. Elective or specialized care required as a result of circumstances that could reasonably have been foreseen prior to departure from the Service Area is not a Covered Service. **Always call VIVA HEALTH within 24 hours or as soon as reasonably possible after Emergency Services are received.**

F. Review. The medical care provided to you by your Personal Care Provider, specialists or other health care professionals will be reviewed by VIVA HEALTH for eligibility, coverage and Medical Necessity. This review can occur after the service has been provided and/or paid for. The review of care for lengthy Outpatient treatment plans and Inpatient Hospital stays will be conducted during the treatment period.

- G. New Medical Technologies.** VIVA HEALTH will review new, non-experimental, medical technologies from time to time as deemed appropriate by VIVA HEALTH to determine if the service should be added or deleted as a Covered Service in the Schedule of Benefits in Part IX. This review will include consideration of information available from medical literature, experts in the field, and state and/or federal regulatory agencies.
- H. Authorization Does Not Guarantee Payment.** If the Member has other coverage as described in Parts V. and VI., and such other coverage is responsible for payment or would have been responsible if the Member had complied with its terms and conditions, the Plan is not responsible for payment even if services were authorized.

Coverage of certain benefits is limited in quantity (such as number of visits or days) and/or in maximum dollars of coverage. These limitations are specified in Attachment A to this Certificate. Authorizations do not extend such limitations. For example, if a benefit is limited to 10 visits per year, the 11th visit will not be a Covered Service even if the 11th visit is authorized by VIVA HEALTH. Likewise, if benefit coverage is limited to a specified dollar amount, services received for the benefit after the specified dollar amount is reached are not Covered Services even if the services are authorized by VIVA HEALTH. Members may contact VIVA HEALTH's Customer Service Department to determine the quantity or dollars of services that have been used. However, VIVA HEALTH records will only reflect the claims submitted by providers and paid by VIVA HEALTH as of the current date. Services the Member recently received may not be reflected. Therefore, it is the Member's responsibility to monitor usage of limited benefits.

In order for authorized services to be Covered Services, you must be a Member at the time services are received. Authorizations are not valid for services received after the date coverage terminates. For coverage terminations initiated by the Employer, there may be a delay between the date a Member's coverage is terminated by the Employer and the date VIVA HEALTH is notified by the Employer of the termination. In the event employment ends, please consult with the Employer to determine when your coverage under this Certificate ends. VIVA HEALTH is not responsible for any delay in notification of coverage termination from the Employer to VIVA HEALTH. Services received between the date a Member's coverage is terminated by the Employer and the date VIVA HEALTH is notified by the Employer of the termination are not Covered Services even when such services have been authorized by VIVA HEALTH or a Participating Provider. If VIVA HEALTH terminates the Group Policy due to Employer's non-payment of premium, any services received during the period for which no premium was paid are not Covered Services even if authorized by VIVA HEALTH.

An authorization given for a Member who was ineligible for the Plan on the date the authorized service was received will not be honored. The Member and/or Subscriber will be held financially responsible for the cost of such service.

- I. Care After Hours and on Weekends.** If you have an urgent need for care that is not an Emergency Medical Condition when your Personal Care Provider's office is closed, call your Personal Care Provider. The answering service will connect you to your Personal Care Provider or the physician on-call for them to assist you in determining the best course of action. If you need to be seen right away, you also have the option of visiting a Participating urgent care facility or another Participating Provider. Participating Providers are listed on the VIVA HEALTH website at www.vivahealth.com. You may also call VIVA HEALTH at the number on your Member identification card and speak with the nurse on-call.
- J. Lifetime or Annual Maximum Benefit Limits.** Subject to all terms, conditions and definitions in this Certificate, each Member is entitled, when a Lifetime or Annual Maximum applies, to Covered Services up to an amount not to exceed the Lifetime or Annual Maximum. Health care services deemed "essential

health benefits” by the Affordable Care Act and its implementing regulations are not subject to lifetime or annual maximum dollar limits.

- K. Reaching the Lifetime or Annual Maximum Benefit Limit.** Whether a Member has reached the benefit limit is determined by adding the amounts of benefits used for Covered Services provided a Member under this Plan and under any other VIVA HEALTH plan. When dollar limits apply, the amount for each Covered Service is based on VIVA HEALTH’s fee schedule for Covered Services. This fee schedule is to be used for all amounts regardless of VIVA HEALTH’s arrangements with any Participating Providers.
- L. Out-of-Pocket Maximum.** The Out-of-Pocket Maximum consists of Deductibles, Coinsurance and Copayments for qualified Covered Services incurred by a Member during a Calendar Year. Qualified Covered Services are health care services for Emergency and Urgently Needed Services and for other health care services deemed “essential health benefits” by the Affordable Care Act and its implementing regulations when such services are received by Participating Providers and for Skilled Nursing Facility services from Participating facilities. The Out-of-Pocket Maximum for medical services does not include costs for premiums, health care this plan does not cover, health care services not deemed essential health benefits (except for Skilled Nursing Facility services from Participating facilities), or services received from non-Participating Providers, except Emergency and Urgently Needed Services. Portions of the Member Cost Sharing paid by manufacturer coupons or similar assistance programs, such as those offered by pharmaceutical manufacturers, may not be applied to your Deductible or Out-of-Pocket Maximum. Members have a responsibility to inform VIVA HEALTH about the use of Cost Sharing assistance, manufacturer coupons, or similar assistance programs to cover the Cost Sharing for covered drugs or Covered Services. The Plan’s specific Out-of-Pocket Maximum(s), if applicable, is (are) described in Attachment A, Summary of Benefits.

PART IX. SCHEDULE OF BENEFITS

Health services described in this Part IX are Covered Services when provided in accordance with the requirements for accessing care described in Part VIII. Covered Services are **subject to exclusions described in Part X** and to the limitations and payment of applicable Copayments, Coinsurance, and/or Deductibles as described in Attachment A, Summary of Benefits. When coverage of a service is limited, such as to a particular number of visits, number of days or a certain dollar amount, the Member is responsible for the cost of the service after the coverage limit is met even when the service is Medically Necessary.

A. Professional Services Performed Within the Plan Service Area.

Coverage is provided for kidney, cornea, kidney/pancreas, liver, lung, heart, bone marrow, intestinal/multivisceral, and peripheral stem cell transplants when such transplants are Medically Necessary and not excluded by the terms of Part X. Donor search fees are covered only for bone marrow transplants and are limited to \$10,000 per Member per Lifetime. Organ donor treatment or services only covered when the transplant service recipient is a Member under the Plan and only covered to the extent these services are not covered by another plan or program.
- I. Statement of Rights under the Newborns' and Mothers' Health Protection Act.** Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by Cesarean section. However, the plan or issuer may pay for a shorter stay if the attending provider (e.g., the Member's physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier than 48 hours (or 96 hours, as applicable). Also, under federal law, group health plans and health insurance issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a physician or other health care provider obtain authorization for prescribing a length of stay not in excess of 48 hours (or 96 hours). Pre-certification is still required for the delivery and for newborn placement in an intensive care nursery. Pre-certification is also required for any length of stay period in excess of the minimum (48 or 96 hours), even though not required for the minimum length of stay period. For information on precertification, contact VIVA HEALTH.

PART X. EXCLUSIONS

Like other health plans, **SOME SERVICES ARE NOT COVERED** under this Plan. Some of these excluded items may be Covered Services if the Employer has chosen to cover them, as specified in riders to this Certificate. The following services are not Covered Services:

- A.** Care that is not Medically Necessary or that is not a Covered Service as determined by VIVA HEALTH. Care that would be a Covered Service but that is not Medically Necessary is excluded. Care that is Medically Necessary but that is not a Covered Service is likewise excluded. This includes payment for benefits after a benefit limit described in Attachment A has been reached.
- B.** Care that is rendered before the date a person becomes a Member or after the date a person ceases to be a Member, including care for medical conditions arising prior to the date the Member's coverage terminates, even if such services were authorized by VIVA HEALTH. If a Member is in a Hospital or Skilled Nursing Facility, coverage of the stay begins on the effective date of coverage, regardless of the date of admission, and coverage ends on the date coverage under the Plan terminates, regardless of the date of discharge.
- C.** Care that requires authorization from VIVA HEALTH for which no authorization was given.
- D.** Provision for personal hygiene, convenience, safety or comfort items, training, or services (e.g., air conditioners, humidifiers, whirlpool baths, exercise equipment, classes, apparel, telephone or TV charged to your Hospital bill, or housekeeping services charged as part of home health care).

Services for Cosmetic purposes including but not limited to reformation of sagging skin, changes in appearance of any portion of the body, removal of keloids, scar revision, hair transplants or removal, and chemical peels or abrasion of the skin, are not Covered Services. The presence of a psychological condition will not entitle a Member to coverage. Complications or later surgery related in any way to Cosmetic surgery is not covered even if Medically Necessary.

- O.** Any other services and/or supplies that are not specifically included as Covered Services in this Certificate or otherwise required to be Covered Services by state or federal statute or regulation.
- P.** Custodial, domiciliary, private duty nursing, or convalescent care, rest cures and respite care. Residential services that provide care for which the primary purpose is to attend to the Member's activities of daily living which do not include or require the continuing attendance of trained medical or licensed behavioral health professionals or substance use disorder professionals.

PART XI. CLAIMS AND COMPLAINT PROCEDURES

A. CLAIMS FOR BENEFITS.

VIVA HEALTH has established and maintains claims procedures under which benefits can be requested by Members and disputes about benefit entitlement can be addressed. These claims procedures govern the filing of benefit claims, notification of benefit determinations, and Appeal of Adverse Benefit Determinations. Such claims procedures are available for use by the Member or the Member's authorized representative. Normally, an authorized representative must be appointed in writing on a specified form signed by the Member. If a person is not properly designated as the Member's authorized representative, VIVA HEALTH will not be able to deal with him or her in connection with the Member's rights under these claims procedures.

1. **Pre-Service Claims.** Pre-service claims are claims for services not yet received that require an authorization or referral under the terms of the Plan. Pre-service claims are typically filed by a Participating Provider. If the Member wishes to file a pre-service claim directly, the Member must meet the following requirements:
 - a. Address the claim to VIVA HEALTH Medical Management Department. Non-urgent pre-service claims must be in writing mailed to the following address: 417 20th Street North, Suite 1100, Birmingham, Alabama 35203 or by fax at (205) 933-1232. Urgent pre-service claims may be filed by calling our Medical Management Department at (205) 558-7475 or 1-800-294-7780.
 - b. Provide at least the following information: Member name, date of birth, Member identification number, Member telephone number, a description of the service requested, and the name, address, and telephone number of the provider who will perform the service. If other than the Member, provide the name and telephone number of a contact person.
 - c. A statement regarding any medical circumstances or exigencies that would assist in determining a reasonable timeframe for processing the claim.
 - d. In order for the claim to be considered for processing as an urgent claim, the Member must request the claim be processed as such at the time the claim is filed. A claim qualifies as urgent if delaying a claim determination (*i.e.*, having the non-urgent 15 days to make a determination) could seriously jeopardize the member's life or health or the member's ability to regain maximum function or – in the opinion of a physician with knowledge of the member's medical condition – would subject the member to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

VIVA HEALTH will provide the Member with an oral notice of an incomplete pre-service claim if the claim fails to meet the requirements stated above. If the Member specifically requests written notice of an incomplete pre-service claim, such notice will be provided only if the Member's request is received by the VIVA HEALTH Claims Coordinator or the Medical Management Department as described in 1.a. above.

VIVA HEALTH has up to 72 hours to process urgent pre-service claims and up to 15 days to process standard (non-urgent) pre-service claims. If additional information is required for an urgent care claim, VIVA HEALTH will notify the Member of information needed not later than 24

hours after receipt of the claim. We will have 48 hours following receipt of such additional information to make a determination. The notice of determination on urgent pre-service claims may be made orally with written notification provided within three days. If additional information is required on a standard pre-service claim, VIVA HEALTH will notify the Member of information needed within 15 days. We will have 15 days following receipt of such additional information to make a determination and issue a written notice of the determination. To facilitate receipt of additional information, VIVA HEALTH may request it directly from the provider. However, the Member is still responsible for ensuring VIVA HEALTH receives the information in a timely manner. If no response is received on an incomplete pre-service claim within 45 days, the claim will be considered withdrawn.

2. **Post-Service Claims.** Post-service claims are claims for services already received. Post-service claims are typically filed by a Participating Provider. If the Member wishes to file a post-service claim directly, the Member must provide the information and meet the filing time frames described in Part XIII.I. Notice of Claim of this Certificate. Please contact Customer Service for assistance filing a claim. VIVA HEALTH has up to 30 days to process post-service claims. If additional information is required on a post-service claim, VIVA HEALTH will notify the Member or Member's provider what additional information is needed within 30 days. We will have 15 days following receipt of such additional information to make a determination. Although we may have all the information required to treat a submission as a post-service claim, from time to time VIVA HEALTH might need additional information such as medical records to determine whether the claim should be paid. In this case, VIVA HEALTH will ask the Member to furnish such additional information and will suspend processing of the claim until the information is received. To facilitate receipt of additional information, VIVA HEALTH may request it directly from the provider. However, the Member is still responsible for ensuring that we get the information on time. If no response is received on an incomplete claim within 45 days, the claim will be considered withdrawn. Sometimes VIVA HEALTH may ask for additional time to process the claim. If the Member decides not to give additional time, VIVA HEALTH will process the claim based on the information we have. This may result in the denial of the claim.
3. **Concurrent Care Decisions.** When an approved course of treatment is coming to an end, the Member may file a claim to extend such treatment. Benefit limits described in Attachment A still apply. The amount of time VIVA HEALTH has to decide a claim to extend an approved course of treatment depends on whether it is an urgent claim or a standard claim. The same timeframes discussed above for pre-service claims apply to concurrent care decisions.
4. **Appeals.** Appeals are Complaints regarding an Adverse Benefit Determination. An Adverse Benefit Determination is a denial, reduction, termination of, or failure to provide or make payment (in whole or in part) for a benefit or is a rescission of coverage. After an Adverse Benefit Determination, a Member will be given written notice that includes information as to the Member's right to Appeal. Upon written request, a Member will also be given reasonable access to and copies of all documents, records, and other information in VIVA HEALTH's possession relevant to the Member's claim for benefits.

Appeals are processed as Complaints in accordance with the Complaint Procedure described below, except that the processing timeframes may be different. Specifically, standard pre-service Appeals will be processed within 15 days at the Informal Complaint level and within 15 days at the Formal Complaint level. Post-service Appeals will be processed within 30 days at the Informal Complaint level and within 30 days at the Formal Complaint level. An Expedited Formal Complaint that meets the definition of an urgent Appeal will be processed within 72 hours. Examples of claims subject to Appeals include denied services and payments (in whole or in part) and the reduction or termination of a previously approved course of treatment.

On Appeal, the Member has the right to submit written comments, documents, records, and other information relating to the claim for benefits regardless of whether the information was considered in the initial benefit determination. When an Adverse Benefit Determination was made based in whole or in part on a medical judgment, including whether a particular treatment, drug, or other item is experimental, investigational, or not Medically Necessary or appropriate, a health care professional with appropriate training and experience in the field of medicine involved in the medical judgment will be consulted in processing an Appeal. The health care professional retained for consultation will be an individual who is neither an individual who was consulted in connection with the Adverse Benefit Determination that is the subject of the Appeal, nor the subordinate of any such individual. The Member will be provided a written notice of the benefit determination on review.

B. COMPLAINT PROCEDURE

If a Member has a question, the Member should call Customer Service at the number indicated on the back of this Certificate or on the Member identification card. Any problem or dispute between a Member and VIVA HEALTH or between a Member and a Participating Provider must be dealt with through VIVA HEALTH's Complaint Procedure. Complaints may concern non-medical or medical aspects of care as well as the terms of this Certificate, including its breach or termination. Complaints are processed according to the Complaint Procedure set forth herein. The Complaint Procedure may be revised by VIVA HEALTH from time to time. The Complaint Procedure must be initiated by the Member no later than twelve (12) months after the incident or matter in question occurred. The Complaint Procedure consists of the following levels for review:

1. **Inquiry.** Most problems can be handled simply by discussing the situation with a representative of VIVA HEALTH's Customer Service Department. This can be done by phone or in person and will often avoid the need for written Complaints and formal meetings. VIVA HEALTH asks Members to try this process first to resolve any problems. Issues that can be resolved by telephone to the Member's satisfaction are not classified as Complaints. Members with Inquiries that are not resolved to their satisfaction will be informed of the Informal Complaint Procedure available to them or their authorized representative.
2. **Informal Complaint.** If the Member's problem cannot be resolved to the Member's satisfaction by the Customer Service Representative at the Inquiry level or the Member requires a written response, the Member may file an Informal Complaint. Informal Complaints may be made verbally or in writing. A decision regarding an Informal Complaint and the mailing of a written notice to the Member is completed from the receipt date of the Informal Complaint within 15 days for pre-service Appeals, within 30 days for post-service Appeals, and within 45 days for other complaints. The written notice includes the outcome of VIVA HEALTH's review of the Informal Complaint. In the case of an adverse outcome, a Member will be provided the additional rationale, if any, upon which the decision was based. Upon written request, a Member has the right to review or request copies of any new or additional evidence considered by VIVA HEALTH. In the case of an adverse outcome (in whole or in part), the Member has a right to a second review by filing a Formal Complaint.
3. **Formal Complaint.** If the Member is dissatisfied with the Informal Complaint decision, a Formal Complaint may be filed. A Formal Complaint must be filed within 12 months of VIVA HEALTH's receipt of the original Informal Complaint. VIVA HEALTH may allow an extension of the 12 month limit due to extenuating circumstances. Formal Complaints must be submitted by written letter. The Formal Complaint should be mailed to:

VIVA HEALTH
Attention: Complaint Coordinator
417 20th Street North, Suite 1100
Birmingham, Alabama 35203

A provider may act on behalf of the Member in the Formal Complaint process if the provider certifies in writing to VIVA HEALTH that the Member is unable to act on their own behalf due to illness or disability. A family member, friend, provider, or any other person may act on behalf of the Member after written notification of authorization is received by VIVA HEALTH from the Member. Members also have the right to request that a VIVA HEALTH staff member assist them with the Formal Complaint.

All Formal Complaints are reviewed by the VIVA HEALTH Formal Complaint Committee. The Member or any other party of interest may provide pertinent information to the VIVA HEALTH Formal Complaint Committee in person or in writing. The VIVA HEALTH Formal Complaint Committee issues its decision from the receipt date of the Formal Complaint within 15 days for pre-service Appeals and 30 days for post-service Appeals and other complaints. The Member will receive written notification regarding the VIVA HEALTH Formal Complaint Committee's decision postmarked within five working days of the decision being made. In the case of a final internal Adverse Benefit Determination at the Formal Complaint level (in whole or in part), the Member may have a right to an external review process, as described below. A determination that the Member fails to meet eligibility requirements of the Plan is not subject to external review.

4. **Expedited Formal Complaints.** Any Complaint related to an adverse Medical Necessity decision may be considered for expedited review. This includes Complaints related to service denials or reductions. Expedited review allows the Member to bypass the Informal and Formal Complaint steps of the Complaint Procedure. The Member or provider may request an expedited review. Both the decision to grant an expedited review and the expedited review itself are conducted by the VIVA HEALTH Expedited Formal Complaint Committee. An expedited review is granted if the standard response time could seriously jeopardize the life or health of the Member or the Member's ability to regain maximum function.

If the VIVA HEALTH Expedited Formal Complaint Committee grants the expedited review, the VIVA HEALTH Expedited Formal Complaint Committee will review the Complaint and render a decision within a time period that accommodates the clinical urgency of the situation, but not later than 72 hours from the time the request was received. The VIVA HEALTH Expedited Formal Complaint Committee notifies the provider of its decision by phone or fax the day the decision is made or the next business day if the provider's office is closed. Written notification of the decision is mailed to both the provider and the Member within three days after the day the decision is made. In the case of a final internal Adverse Benefit Determination at the Expedited Formal Complaint level, the Member has a right to an external review process, except after a determination that the Member fails to meet eligibility requirements of the Plan.

If the VIVA HEALTH Expedited Formal Complaint Committee does not grant the Member's request for an expedited review, the Member will receive written notification postmarked within three working days after receipt of the request. The notification will verify that the request will be automatically transferred to the informal level of the Complaint Procedure as described above.

5. **External Review.** VIVA HEALTH has available an independent external review process for certain denied claims for benefits. This external review process applies to an Adverse Benefit Determination or final internal Adverse Benefit Determination on Appeal that involves medical

judgment or compliance with the Cost Sharing and surprise billing protections in the No Surprises Act and its implementing regulations or a rescission of coverage. A determination that a person is not a Member under the terms of this Certificate, however, is not eligible for the external review process unless it involves a rescission. The decision to be reviewed through the external review process usually will be the denial of an Appeal as part of the Formal Complaint process described above.

An expedited external review process is available for (i) an Adverse Benefit Determination, if the Adverse Benefit Determination involves a medical condition of the Member for which the timeframe for completion of an expedited internal Appeal under paragraph XI.B.4 above would seriously jeopardize the life or health of the Member, or would jeopardize the Member's ability to regain maximum function and the Member has filed a request for an expedited internal Appeal under paragraph XI.B.4 above; or (ii) a final internal Adverse Benefit Determination, if the Member has a medical condition where the timeframe for completion of a standard external review would seriously jeopardize the life or health of the Member or would jeopardize the Member's ability to regain maximum function, or if the final internal Adverse Benefit Determination concerns an admission, availability of care, continued stay, or health care service for which the Member received emergency services, but has not been discharged from a facility.

A Member must file a request for an external review within four months after the date of receipt of a notice of an Adverse Benefit Determination or final internal Adverse Benefit Determination. The external review process is handled by MAXIMUS, an Independent Review Organization ("IRO"). An IRO's external review decision is binding on VIVA HEALTH, as well as the Member, except to the extent other remedies are available under State or Federal law.

A Member can request an external review in writing by faxing the request to MAXIMUS at 1-888-866-6190 or by mail to MAXIMUS at:

MAXIMUS Federal Services
3750 Monroe Avenue, Suite 708
Pittsford, NY 14534

A Member may also request a review online at externalappeal.cms.gov. For questions or concerns during the external review process, a Member can call the toll-free number 1-888-975-1080. A Member can submit additional written comments to the IRO at the address above. Any additional information submitted will be shared with VIVA HEALTH to give the Plan an opportunity to reconsider the denial. In urgent care situations, a Member can initiate a request for expedited review by calling the toll-free number 1-888-975-1080.

6. **Member's Rights after Exhausting Complaint Procedure.** A Member has the right to bring a lawsuit with respect to an Adverse Benefit Determination only after the internal Complaint Procedure described herein has been completely exhausted or waived. Any such suit must be brought within 180 days after issuance of the final decision on Appeal at the Formal Complaint level of the Complaint Procedure.

PART XII. CONTINUATION COVERAGE

A Federal law known as "COBRA" requires most employers sponsoring group health plans to offer participating employees and their families the opportunity for a temporary extension of health coverage (called "Continuation Coverage") at group rates in certain instances where coverage under the employer's plan would otherwise end.

- A. **Continuation Coverage Under COBRA.** As provided in Part XII.B through XII.E below, Continuation Coverage under COBRA generally applies only to Employers that are subject to the provisions of COBRA. Generally, COBRA applies if the Employer has 20 or more employees. Members should contact the Employer's Plan Administrator to determine if they are eligible to continue coverage under COBRA. VIVA HEALTH is not responsible for notifying Members of any right to Continuation Coverage.

Continuation Coverage for Members who selected continuation coverage under a prior plan that was replaced by coverage under the Policy shall terminate as scheduled under the prior plan or in accordance with the terminating events set forth in Part XII.D below, whichever is earlier.

In no event shall VIVA HEALTH be obligated to provide Continuation Coverage under the Plan to a Member if the Employer or its designated Plan Administrator fails to perform its responsibilities under federal law. These responsibilities include but are not limited to notifying the Member in a timely manner of the right to elect Continuation Coverage and notifying VIVA HEALTH in a timely manner of the Member's election of Continuation Coverage.

VIVA HEALTH is not the Employer's designated Plan Administrator and does not assume any responsibilities of a Plan Administrator pursuant to federal law.

B. **Events Giving Rise to Continuation Coverage Option.**

1. **Subscriber.** A Subscriber has a right to purchase this Continuation Coverage when the Subscriber loses coverage under the Plan for either of the following Qualifying Events:
 - a. a reduction in the Subscriber's hours of employment below 30 hours per week; or
 - b. the termination of a Subscriber's employment unless the employment is terminated because of the Subscriber's gross misconduct.
2. **Subscriber's Spouse.** A Subscriber's spouse who is a Member has the right to purchase Continuation Coverage when the Subscriber loses coverage under the Plan for any of the following Qualifying Events:
 - a. the death of the Subscriber;
 - b. a termination of the Subscriber's employment unless termination is due to gross misconduct;
 - c. a reduction in the Subscriber's hours of employment with Employer below 30 hours per week;
 - d. divorce or legal separation from the Subscriber; or
 - e. the Subscriber becomes entitled to Medicare (Part A, Part B, or both).
3. **Dependent Child.** A dependent child who is a Member has the right to purchase Continuation Coverage if coverage is lost under the Plan for any of the following Qualifying Events:
 - a. the death of the Subscriber;
 - b. a termination of the Subscriber's employment unless termination is due to gross misconduct;
 - c. a reduction in the Subscriber's hours of employment with Employer below 30 hours per week;
 - d. the Subscriber's divorce or legal separation;
 - e. the Subscriber becomes entitled to Medicare (Part A, Part B, or both); or
 - f. the dependent ceases to be a "dependent child" under the Plan.

4. New Child during Continuation Coverage. A child who is born to or placed for adoption with the Subscriber during a period of COBRA coverage will be eligible to become a Member. Adding the child requires proper notice to the Plan Administrator and enrollment under Part II.
5. Retired Subscribers and their Covered Dependents. Sometimes, filing a proceeding in bankruptcy under Title 11 of the United States Code can be a Qualifying Event. If a proceeding in bankruptcy is filed with respect to Employer, and that bankruptcy results in loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary with respect to the bankruptcy. The retired employee's Covered Dependents will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

C. Period of Continuation Coverage.

1. 18 Months Coverage Rule. COBRA requires that a Member be afforded the opportunity to purchase Continuation Coverage for up to 18 months if either of the following Qualifying Events occur:
 - a. termination of the covered Subscriber's employment, unless termination is due to gross misconduct; or
 - b. reduction in the covered Subscriber's hours of employment below 30 hours per week.
2. 36 Months Coverage Rule. COBRA requires that a Member be afforded the opportunity to purchase Continuation Coverage for up to 36 months if any of the following Qualifying Events occur:
 - a. Death of the Subscriber;
 - b. Divorce or legal separation from the Subscriber;
 - c. Subscriber becomes entitled to Medicare (Part A, Part B, or both); and
 - d. Child ceases to be a dependent under the Plan.
3. Special Rule for Multiple Qualifying Events other than Entitlement to Medicare. If during an 18-month period of Continuation Coverage a Member experiences an event giving rise to 36 months of Continuation Coverage, the Member may elect to extend the Continuation Coverage to 36 months beginning on the date the original 18-month period began. (Special rules involving entitlement to Medicare are discussed below.) Member must contact the Plan Administrator within 60 days of the date the second qualifying event occurs in order to extend continuation coverage under this rule. Failure to contact the Plan Administrator will lead to termination of Continuation Coverage.
4. Special Rule for Dependents Upon Subscriber's Entitlement to Medicare. COBRA requires that if a Subscriber becomes entitled to Medicare (regardless of whether such Qualifying Event causes a loss of coverage under the Plan), the period of coverage eligibility for the spouse of such Subscriber or the dependent child of such Subscriber shall not terminate before the end of the 36-month period following the earlier of the date of the first Qualifying Event or the date the Subscriber becomes entitled to Medicare. Entitlement to Medicare means the Subscriber is eligible to receive and signs up for Medicare insurance. The maximum aggregate period of Continuation Coverage for any or all Qualifying Events, including Medicare entitlement, is 36 months.

This coverage is available only to the spouse and dependent children of Subscriber and only if such individuals themselves are Members at the time the Subscriber becomes entitled to Medicare. To receive this coverage, a Member must notify the Plan Administrator that the

Subscriber becomes entitled to Medicare. Failure to notify the Plan Administrator of the Subscriber's entitlement may lead to termination of Continuation Coverage.

5. **Special Rule for Disabled Qualified Beneficiaries.** If the Subscriber, the spouse of a Subscriber, or the dependent child of a Subscriber is determined by the Social Security Administration to be disabled (for Social Security disability purposes) at any time during the first 60 days of COBRA coverage, the qualified beneficiaries, if then covered under the Plan, would be eligible for extended Continuation Coverage beyond the normal period of 18 months. Under this special rule, qualifying beneficiaries may extend Continuation Coverage for up to 29 months from the time they are first eligible to elect Continuation Coverage due to a termination or reduction in hours of employment.

In order to be entitled to this extended coverage, the disabled person must provide the Plan Administrator a copy of the Social Security Administration determination of their disability within the earlier of 60 days after the Administration makes a disability determination, or the last day of the initial 18-month period of Continuation Coverage. Such individual must notify the Plan Administrator within 30 days of the date the Social Security Administration makes a final determination that they are no longer disabled.

D. Termination of Continuation Coverage. A Member's Continuation Coverage will end for any of the reasons listed in Part IV of this Certificate and for the following reasons:

1. The Employer no longer provides group health coverage to any of its employees (special rules may apply if a health plan is terminated or coverage is reduced on account of bankruptcy proceedings);
2. The premium for Continuation Coverage is not paid in full on time;
3. A Member becomes covered under another group health plan as an employee, spouse or dependent, after COBRA coverage is elected, so long as the new group health plan does not exclude or limit coverage for a pre-existing condition for which the Member was covered under the Plan;
4. A Member becomes entitled to Medicare (under Part A, Part B, or both) after the date COBRA coverage is elected; or
5. A Subscriber's spouse ends a legal separation from a Subscriber and once again becomes covered under the Plan as a spouse.

In addition, if Continuation Coverage was extended to 29 months due to disability, the extended coverage will end with the month that begins more than 30 days after a final determination under the Social Security Administration that the disabled person is no longer disabled even if the total period of coverage is less than 29 months. In no event, however, will the period of coverage be less than 18 months unless one of the above events occurs.

COBRA coverage will be terminated retroactively if a Member is determined to have been ineligible. A Member's Continuation Coverage with VIVA HEALTH will also end on the date coverage ends under the Group Policy for any reason. The Member must look to a subsequent group health plan, if any, of the Employer for Continuation Coverage after the Group Policy ends.

E. Notice Procedures.

1. Notice to be Provided by Member. Under COBRA, the Member must inform the Plan Administrator of a divorce, legal separation, or a child losing Covered Dependent status under the Plan within 60 days of the event. A Member must also notify the Plan Administrator in accordance with the special rules regarding disability determination, if applicable. If the Plan Administrator is not informed within 60 days after one of these events has occurred, the right to purchase Continuation Coverage under the Benefits Plan will be lost.

In addition, there are also special rules for Continuation Coverage that apply when the Subscriber becomes entitled to Medicare as determined by the Social Security Administration. The Medicare rules are described in more detail above. To receive the maximum amount of coverage in the event the Subscriber becomes entitled to Medicare, the Member should notify the Plan Administrator as soon as possible after such Medicare entitlement occurs.

2. Notice to be Provided by Employer. The Employer has the responsibility to notify the Plan Administrator of a Subscriber's death, termination of employment or reduction in hours worked below 30 hours per week, commencement of a proceeding in bankruptcy with respect to the Employer if the Plan provides retiree coverage, or Medicare entitlement (Part A, Part B, or both).
3. Notice to be Provided by Plan Administrator. When the Plan Administrator is notified of a divorce, legal separation, child losing dependent status, employee's death, termination of employment, reduction in hours worked below 30 hours per week, or Medicare entitlement, the Plan Administrator will in turn notify the Members of the right to purchase Continuation Coverage by providing a COBRA Notice.
4. Election Period and Premium Payment. To elect Continuation Coverage, a Member has 60 days from the date that is the later of (1) the date the Member was provided with COBRA Notice, or (2) the date the Member would lose coverage because of one of the events described above. The Member must inform the Plan Administrator by sending the Plan Administrator written notice of electing no later than the end of the 60-day period described in the previous sentence. The Plan Administrator must then notify VIVA HEALTH of the Member's election within 14 days. Subscribers may elect Continuation Coverage on behalf of their spouses and parents may elect Continuation Coverage on behalf of their children. Continuation Coverage is optional. If a Member does not elect Continuation Coverage within the 60-day period, the Member's coverage under the Plan will end without any Continuation Coverage.

Members must pay all premiums for coverage due retroactive to the day the Member lost coverage under the Plan no later than the forty-sixth (46th) day following the initial election to purchase Continuation Coverage. For each premium payment thereafter, payment is due on the first of the month for which the premium applies (for example, the premium for the month of June is due June 1). If premiums are not paid on or before the first of each month, a grace period of 30 days will be allowed for payment of any delinquent premium. A failure to pay premiums before the expiration of the grace period will result in a loss of all Continuation Coverage that has not been paid for.

5. Employer as Plan Administrator. In no event shall VIVA HEALTH be obligated to provide Continuation Coverage under the Plan to a Member if the Employer or the Employer's designated Plan Administrator fails to perform its responsibilities under this Part or under COBRA. VIVA HEALTH is not the Employer's designated Plan Administrator and does not assume any of a Plan Administrator's responsibilities under COBRA.
6. Other Options. There may be other coverage options for you and your family beside COBRA. You can buy coverage through the Health Insurance Marketplace. In the Marketplace, you could

be eligible for a new kind of tax credit that lowers your monthly premiums right away, and you can see what your premium, deductibles, and out-of-pocket costs will be before you make a decision to enroll. Being eligible for COBRA does not limit your eligibility for coverage for a tax credit through the Marketplace. Additionally, you may qualify for a special enrollment opportunity for another group health plan for which you are eligible (such as a spouse's plan), even if the plan generally does not accept late enrollees, if you request enrollment within 30 days.

- F. **Questions.** Questions concerning your COBRA continuation coverage rights should be addressed to the Employer's Plan Administrator.

PART XIII. GENERAL PROVISIONS

- A. **Identification Card.** Cards issued by VIVA HEALTH to Members pursuant to this Certificate are for identification only. **Members must show the identification card every time Covered Services are received. Failure to show the identification card or otherwise clearly identify oneself as a VIVA HEALTH Member prior to receiving care will result in the Member being financially responsible for services that require prior-approval in order to be Covered Services.** You will automatically receive a new Identification Card when certain card information changes. Please destroy the old card to prevent confusion. Possession of a Plan identification card confers no right to services or other benefits under the Plan. To be entitled to such services or benefits the holder of the card must, in fact, be a Member. Any person receiving services or other benefits to which he is not then entitled pursuant to the provisions of this Certificate will be liable for the actual cost of such services or benefits.
- B. **Notice.** Any notice under the Plan to VIVA HEALTH may be given by United States Mail, first class, postage prepaid, addressed as follows:

**VIVA HEALTH
Post Office Box 55926
Birmingham, Alabama 35255-5926**

Or if notice is to a Member, at the last address known to VIVA HEALTH.

- C. **Interpretation of Certificate.** To the extent not governed by The Employee Retirement Income Security Act of 1974, 29 U.S.C. 1001, et. seq. (ERISA), the laws of the State of Alabama shall be applied to interpretations of this Certificate.
- D. **Gender.** The use of any gender herein shall be deemed to include the other gender and, whenever appropriate, the use of the singular herein shall be deemed to include the plural (and vice versa).
- E. **Clerical Error.** Clerical error, whether of the Employer or VIVA HEALTH in keeping any record pertaining to the coverage hereunder, will not invalidate coverage otherwise validly in force or continue coverage otherwise validly terminated.
- F. **Policies and Procedures.** VIVA HEALTH may adopt reasonable policies, procedures, rules and interpretations to promote the orderly and efficient administration of this Certificate with which Members shall comply.
- G. **Waiver.** No agent or other person, except an authorized officer of VIVA HEALTH, has the apparent or express authority to waive any conditions, provisions or restrictions of this Certificate, to extend the time for making a payment, or to bind the Plan by any promise or representation made by giving or receiving any information. The waiver of any condition, provision or restriction of this Certificate or

of the waiver of a breach of any provision hereof shall not be deemed a waiver of any other condition, provision, restriction or breach hereof.

- H. Authorization To Examine Health Records.** Each Member consents to and authorizes a Physician, Hospital, Skilled Nursing Facility or any other provider of care to disclose to VIVA HEALTH information pertaining to the care, treatment, or condition of the Member. This includes permitting the examination and copying of any portion of the Member's hospital or medical records, as needed and when requested by VIVA HEALTH or persons or organizations providing services on VIVA HEALTH's behalf. This applies to both Subscribers and Covered Dependents whether or not such Covered Dependents have signed the Subscriber's enrollment form. Information from medical records of Members and information received from Physicians, Hospitals, Skilled Nursing Facilities, or other providers of care incident to the relationship shall be kept confidential and may not be disclosed without the consent of the Member except for use reasonably necessary in connection with government requirements established by law, the administration of this Agreement (including, but not limited to, utilization review, quality improvement, and claims management), or as otherwise permitted by law.
- I. Notice of Claim.** Participating Providers are responsible for submitting a request for payment of Covered Services directly to VIVA HEALTH. The Plan will reimburse a Member for Covered Services from non-Participating Providers only for Emergency Services or services authorized by the Plan as described in Part VIII.C.2. The Member is responsible for sending a request for reimbursement to VIVA HEALTH in a language and on a form provided by or acceptable to VIVA HEALTH. The request must include the Member's name, address, telephone number, and Member identification number (found on the Member identification card), the provider's name, address, and telephone number, the date(s) of service, and an itemized bill including the CPT codes or a description of each charge. If the Member is enrolled in any other health plan, the Member must also include the name(s) of the other carrier(s). **Such claim shall be allowed only if notice of claim is made to VIVA HEALTH or its designee within one hundred and eighty (180) days from the date on which covered expenses were first incurred.**
- J. Assignment.** The coverage and any benefits under the Plan are personal to Members and may not be assigned unless consent of VIVA HEALTH is obtained in writing.
- K. Amendments.** The Employer specifically reserves the right to amend, modify or terminate the Plan without the consent or concurrence of any Member, and shall notify Members of any material change in the Plan.
- L. Circumstances Beyond VIVA HEALTH's Control.** Provision of Covered Services could be delayed or made impractical by circumstances not reasonably within the control of VIVA HEALTH, such as complete or partial destruction of facilities; war; riot; civil insurrection; labor disputes; disability of a significant part of Hospital or medical group personnel; or similar causes. If so, Participating Physicians and Providers will make a good faith effort to provide Covered Services. Neither VIVA HEALTH nor any Participating Provider shall have any other liability or obligation on account of such delay or such failure to provide Covered Services.
- M. Certification Procedures.** VIVA HEALTH provides Creditable Coverage Certifications to Plan participants if requested. It ordinarily will specify the period of time for which a Member was covered under the Plan and under COBRA, as applicable, and any waiting period.
- N. Administrative Information.** The Plan is a group health plan providing Covered Services. The Plan is funded through the Group Policy, which is the Employer's contract with VIVA HEALTH and includes this Certificate. Under the Group Policy, VIVA HEALTH performs certain administrative

services. VIVA HEALTH is also given full and complete discretionary authority to determine eligibility for Covered Services, to interpret the Plan, and to make any and all factual findings appropriate to apply the Plan or to decide any disputes related to the Plan.

- O. Acceptance of Premium not a Guarantee of Coverage.** VIVA HEALTH's acceptance of premium payment does not guarantee coverage hereunder and does not constitute a waiver of any of the terms of this Certificate.

PART XIV. FRAUD WARNING

Any person who knowingly presents a false or fraudulent claim for payment of a loss or benefit or who knowingly presents false information in an application for insurance is guilty of a crime and may be subject to loss of insurance coverage, restitution, fines, confinement in prison, or any combination thereof.

Discrimination Grievance Procedure (under Section 1557 of the Affordable Care Act):

In accordance with Section 1557 of the Affordable Care Act (Section 1557), it is the policy of VIVA HEALTH to not discriminate on the basis of race, color, national origin (including limited English proficiency and primary language), age, disability, or sex (including sex characteristics, including intersex traits; pregnancy or related conditions; sexual orientation; gender identity, and sex stereotypes).

This is the grievance procedure for providing prompt and equitable resolution of complaints alleging any action prohibited by Section 1557 and its implementing regulations at 45 C.F.R. Part 92, issued by the U.S. Department of Health and Human Services. Section 1557 and its implementing regulations may be examined at <https://www.federalregister.gov/documents/2024/05/06/2024-08711/nondiscrimination-in-health-programs-and-activities>.

Any person who believes that VIVA HEALTH subjected someone to discrimination prohibited by Section 1557 may file a grievance under this procedure.

It is against the law for VIVA HEALTH to intimidate, threaten, coerce, retaliate, or otherwise discriminate against anyone who files a grievance, or participates in the investigation of a grievance for the purpose of interfering with any right or privilege secured by Section 1557. Section 1557 and its implementing regulations may be examined in the office of VIVA HEALTH's Section 1557 Coordinator at 417 20th Street North, Suite 1100, Birmingham, AL, 35203.

Procedure:

- Grievances must be submitted to the Section 1557 Coordinator within 60 days of the date the person filing the grievance becomes aware of the alleged discriminatory action.
- Grievances must be submitted in writing to:

ATTN: VIVA HEALTH Section 1557 Coordinator
417 20th Street North, Suite 1100
Birmingham, AL 35203, or

(by fax or email): 205-449-7626, or VIVACivilRightsCoord@uabmc.edu

- A grievance should contain the name and contact information of the person filing it as well as the alleged discriminatory action and alleged basis (or bases) of discrimination, the date the grievance was filed, and any other pertinent information.
- When a grievance includes allegations that would violate Section 1557, the Section 1557 Coordinator (or their designee, if applicable) shall investigate the grievance. This investigation may be informal, but it will be thorough, affording all interested persons an opportunity to submit evidence relevant to the grievance.
- VIVA HEALTH shall inform an individual that they have a right to reasonable modifications in the grievance procedure if needed.

- The Section 1557 Coordinator must keep confidential the identity of an individual who has filed a grievance under this part except as required by law or to carry out the purposes of this part, including the conduct on any investigation, including to investigate the grievance.
- VIVA HEALTH will issue to the person who filed the grievance a written decision on the grievance no later than 30 days after the date VIVA HEALTH receives the grievance. The decision shall include the resolution date and a notice to the complainant of their right to pursue further administrative or legal remedies.
- VIVA HEALTH will maintain the files and records relating to such grievances for at least three years from the date VIVA HEALTH resolves the grievance.

The person filing the grievance may appeal the written decision by writing to the Chief Administrative Officer within 15 days of the date of the notification of the decision. The Chief Administrative Officer shall issue a written decision in response to the appeal no later than 30 days after VIVA HEALTH receives the appeal.

VIVA HEALTH, through the Section 1557 Coordinator, will make appropriate arrangements to ensure that individuals with disabilities and individuals with limited English proficiency are provided reasonable modifications, appropriate auxiliary aids and services, or language assistance services, respectively, if needed to participate in this grievance process. Such arrangements may include but are not limited to providing these services in a timely manner and without cost to individuals being served to ensure that individuals have an equal opportunity to participate in the grievance process.

The availability and use of this grievance procedure does not prevent a person from pursuing other legal and administrative remedies, including filing a complaint of discrimination on the basis of race, color, national origin, sex, age or disability in court or with the U.S. Department of Health and Human Services, Office for Civil Rights. A person can file a complaint of discrimination electronically through the Office for Civil Rights Complaint Portal, which is available at: <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>, or by mail or phone at:

We may disclose your health information to individuals outside VIVA HEALTH, and the OHCA(s) (if applicable), who may be involved in your health care, such as your family members or close friends. We may use and disclose your health information to tell you about health-related benefits or services that may be of interest to you.
- **Health Information Exchanges (HIEs).** We may participate in certain health information exchanges (HIEs) that allow us to securely share your electronic health information for treatment, payment, or health care operations purposes, as permitted by law, with other health care providers or entities who share in the HIE. Our participation in these exchanges helps improve the quality and coordination of care you receive. For a list of these exchanges, you may contact the VIVA HEALTH Privacy Officer for details (see contact information later

in this Notice). You may choose not to have your electronic health information included in these exchanges by submitting a written request on the required form to the Privacy Officer. Even if you opt-out, we may still share information when required by law or as necessary to report certain public health information as described below.

- **Payment.** We may use and disclose your health information for payment purposes. Examples of payment include, but are not limited to:
- Obtaining plan premiums;
 - Determining or fulfilling our responsibility for coverage of benefits (or the provision of benefits);
 - Processing claims filed by providers who have treated you;
 - Reviewing health care services to determine medical necessity, provision of coverage, or justification of charges;
 - Coordinating benefits with other health plans (payers), both within and outside of the OHCA (if applicable), that provide coverage for you;
 - Pursuing recoveries from third parties (subrogation); and
 - Providing eligibility information to health care providers.

We will share only the information necessary for the payment purpose.

- **Health Care Operations.** We may use and disclose your health information for our routine health care operations. These uses and disclosures are necessary for VIVA HEALTH, and the group health plan (GHP) in the OHCA (if applicable), to operate and make sure that all our members receive quality care. We may also combine health information about many of our members to decide what additional services or benefits we should offer and what services or benefits are not needed. Examples of health care operations include, but are not limited to:
- Conducting quality assessment and improvement activities;
 - Conducting population-based activities relating to improving health or reducing health care costs;
 - Engaging in care coordination or case management;
 - Detecting fraud, waste or abuse;
 - Providing customer service;
 - Business management and general administrative activities related to our organization and the services we provide, or to the group health plan (GHP) in the OHCA (if applicable); and
 - Underwriting, premium rating, or other activities relating to the issuing, renewal or replacement of a Group Health Policy. ***Note: We will not use or disclose genetic information about you for underwriting purposes.***

We may also share your health information for certain health care operations of another covered entity. For example, if you receive benefits through a GHP, we may disclose your health information to other health plans or their business associates that are involved in administering your GHP benefits.

- **Organized Health Care Arrangements (OHCAs).** We participate in OHCAs with some of our network providers and group health plans (GHPs). The entities of the OHCA may share in the cost of your health care and may work together to assess the quality of health care you receive. The entities of the OHCA may also use or disclose your health information for treatment, payment, or health care operation purposes (described above) relating to the OHCA's joint activities. In the OHCAs with our network providers, VIVA HEALTH and the network providers work jointly to help coordinate the medically necessary care you need in the most appropriate care setting and better address your health care needs.

In the OHCAs with our GHPs, sharing your eligibility and health information with a GHP, or the GHP's Business Associate, allows the GHP or its Business Associate to administer benefits that are offered to you through an employer-sponsored plan or GHP. Whenever we disclose your health information to GHPs, they must follow applicable laws governing the use and disclosure of your health information, including, but not limited to, the applicable privacy and security rules under the Health Insurance Portability and Accountability Act (HIPAA). For purposes of OHCAs between VIVA HEALTH and GHPs, this Notice constitutes a joint notice of privacy practices, issued in accordance with 45 C.F.R. §164.520(d).

- **Substance Use Disorder (SUD) Records.** If we receive records related to substance use disorder treatment (“SUD records”) that are subject to 42 C.F.R. Part 2 (“Part 2”), those records are protected by special federal confidentiality rules in addition to HIPAA which are described below. Where the requirements of Part 2 are more restrictive than HIPAA, we will follow the more restrictive Part 2 requirements. All other provisions of this Notice apply to SUD records to the extent they do not conflict with Part 2.

Your Rights and Protections Under Part 2

- **Enhanced confidentiality.** SUD records and any testimony or content from such records may not be used or disclosed in any civil, criminal, administrative, or legislative proceedings against you unless one of the following occurs:
 1. You provide a written consent specifically authorizing the use or disclosure for that purpose, in accordance with Part 2; or
 2. A court order is issued after you have been given notice and an opportunity to be heard, and the court order is accompanied by a subpoena or other legal process compelling disclosure, as required under Part 2.
- **Limitation on redisclosure.** If we or a permitted recipient disclose your SUD records under a Part 2-compliant consent for treatment, payment, or health care operations, that recipient (if a covered entity or business associate) may only redisclose those records consistent with the HIPAA rules *and* the limitations imposed by Part 2 (i.e., not for legal proceedings against you absent separate consent or court order).
- **Right to request restrictions.** You may request that we restrict certain uses or disclosures of your SUD records for treatment, payment, or health care operations consistent with Part 2 and HIPAA. We are not obligated to agree to every request, but if Part 2 grants you the right to restrict such uses or disclosures, we will follow the restriction (unless otherwise required by law).
- **Right to an accounting of disclosures.** You have the right to receive an accounting of certain disclosures of your SUD records made in the past three years, to the extent required by Part 2.
- **Right to file a complaint.** You may file a complaint with us or with the Secretary of Health and Human Services if you believe your Part 2 confidentiality rights have been violated. We will not retaliate against you for filing a complaint.

How to Exercise These Rights

To request any of the above, or for more information, please contact the Privacy Officer using the information provided below. We will provide you with a written response in accordance with applicable law and within required timeframes.

- **Individuals Involved in Your Care or Payment for Your Care.** We may release your health information to the eligible person who enrolled you on the plan (“Subscriber”), a friend or family member who is involved in your health care or payment for your medical care, and to your personal representative(s) appointed by you or designated by applicable law. We may also share a minor dependent’s health information with the Subscriber or other parent/guardian on the same policy as the Subscriber, if applicable, unless such disclosure is prohibited by law or in certain situations where we are permitted by federal and state law to decide whether to disclose based on the minor’s best interests. In addition, we may disclose your health information to an entity assisting in a disaster relief effort so that your family or others responsible for your care can be notified about your status and location. You have the right to request that we not disclose your health information to your friends or family members. We will consider your request and honor it, when possible, unless disclosure is otherwise permitted or required by law, such as when you are unable to agree or object and we determine that disclosure is in your best interest.
- **Health-Related Benefit and Service Reminders.** We may use and disclose health information to contact you and remind you to talk to your doctor about certain covered health screenings or preventive services or to tell you about health-related benefits or services that may be of interest to you. We may contact you by mail, telephone, text, or email or through the member portal or member application. For example, we may leave a voice message or send a text message to you at the telephone number you provide or mail you information about health products that may be of interest to you. We will not send you communications that constitute

marketing under the HIPAA Privacy Rule without your written authorization, except as permitted by law (for example, face-to-face communications or promotional gifts of nominal value).

- **Research.** We may use and disclose your health information for medical research. All research studies must go through a special review process required by law that protects patient privacy, such as review and approval by an Institutional Review Board or Privacy Board. While most research studies require specific patient consent, there are some instances where patient authorization is not required. For example, when the research involves reviewing patient records to compare the outcomes of different treatments for the same condition, without contacting the patients directly. Some research may also use health information that has been de-identified or provided as a limited data set that does not directly identify you.
- **Certain Marketing Activities.** We may use health information about you to provide promotional gifts of nominal value, to communicate with you about services offered by VIVA HEALTH, to communicate with you about case management and care coordination, and to communicate with you about treatment alternatives. These communications are permitted under federal law and do not require your written authorization. We will not use or disclose your health information for other marketing purposes without your written authorization. We do not sell your health information to any third party for their marketing activities unless you sign an authorization allowing us to do this.
- **Business Associates.** There are some benefits and services we provide through contracts with Business Associates. Examples include a copy service we use when making copies of your health information, consultants, accountants, lawyers, and subrogation companies. When these services are contracted, we may disclose your health information to our Business Associate so that they can perform the job we've asked them to do. We require the Business Associate to appropriately safeguard your information.
- **Plan Sponsor of Group Health Plan (GHP).** We may disclose, in summary form, your claim history and other similar information to your Plan Sponsor that has a Group Health Policy with VIVA HEALTH, if applicable. Such summary information does not contain your name or other distinguishing characteristics. We may also disclose to the Plan Sponsor the fact that you are enrolled in, or disenrolled from, VIVA HEALTH. We may disclose your health information to the Plan Sponsor for administrative functions that the Plan Sponsor provides to VIVA HEALTH (for example, if the Plan Sponsor assists its members in resolving complaints) if the Plan Sponsor agrees in writing to ensure the continuing confidentiality and security of your protected health information. The Plan Sponsor must also agree not to use or disclose your protected health information for employment-related activities.
- **As Required By Law.** We will disclose your health information when required to do so by federal, state or local law.
- **Public Health Activities.** We may disclose health information about you to public health or authorities authorized by law to prevent or control disease, injury, or disability.
- **Food and Drug Administration (FDA).** We may disclose health information to the FDA or to manufacturers subject to FDA regulations when necessary to report adverse events related to food, dietary supplements or products; to conduct post-marketing surveillance; or to enable product recalls, repairs, or replacements.
- **Victims of Abuse, Neglect or Domestic Violence.** We may disclose health information about you to public health or social service agencies or other government authorities that are authorized by law to receive reports of abuse, neglect, or domestic violence. For example, we are required to report suspected cases of child abuse or neglect, and in some circumstances, elder and domestic abuse or neglect to the appropriate State of Alabama authorities. We will make these disclosures only to the extent required or permitted by law.
- **Health Oversight Activities.** We may disclose health information to a health oversight agency for activities authorized by law. These oversight activities include, for example, audits, investigations, licensure, and inspections. These activities allow the government to monitor the health care system, government programs, and compliance with civil rights laws.

- **Lawsuits and Disputes.** If you are involved in a lawsuit or other legal dispute, we may disclose your health information in response to a court or administrative order. We may also disclose your health information in response to a subpoena, discovery request, or other lawful process from someone involved in the dispute, but only if efforts have been made to notify you about the request or to obtain an order protecting the information requested. We may disclose your health information for judicial or administrative proceedings, as permitted or required by law.
- **Law Enforcement.** We may release health information for law enforcement purposes as permitted or required by law. These purposes include responding to a court order, warrant, subpoena, summons, or other lawful process; identifying or locating a suspect fugitive, material witness, or missing person; reporting information about a victim of a crime in limited circumstances; reporting a death that may have resulted from criminal conduct; or for reporting suspected crimes on our premises.
- **Coroners, Medical Examiners and Funeral Directors.** We may release health information to a coroner or medical examiner. This may be necessary, for example, to identify a deceased person or determine the cause of death.
- **Organ and Tissue Donation.** If you are an organ, tissue or eye donor or recipient, we may use or release your health information to organizations that manage organ, tissue and eye procurement, banking, transportation, and transplantation.
- **To Avert a Serious Threat to Health or Safety.** We may use and disclose your health information when necessary to prevent a serious threat to your health and safety or the health and safety of the public or another person. Any disclosure, however, would only be to someone able to help prevent the threat.
- **Military and Veterans.** If you are a member of the U.S. Armed Forces, we may disclose health information about you as required or authorized by military command authorities. We may also disclose health information about foreign military personnel to the appropriate foreign military authority. We may disclose health information to the U.S. Department of Veterans Affairs to determine eligibility for benefits or to coordinate care, if applicable.
- **National Security and Intelligence Activities.** We may release your health information to authorized federal officials for intelligence, counterintelligence, and other national security activities authorized by law.
- **Protective Services for the President and Others.** We may disclose your health information to authorized federal officials so they may provide protection to the President, other authorized persons or foreign heads of state or conduct special investigations.
- **Workers' Compensation.** We may disclose your health information as authorized by law for workers' compensation or similar programs that provide benefits for work-related injuries or illnesses. These disclosures will be limited to health information related to such work-related injuries or illnesses as required by applicable law.
- **Inmates or Individuals in Custody.** If you are an inmate of a correctional institution or under the custody of a law enforcement official, we may release your health information to the correctional institution or law enforcement official for your health or for the health and safety of other individuals.
- **Other uses and disclosures.** We will obtain your written authorization to use or disclose your psychotherapy notes (other than for limited uses or disclosures permitted by law without your authorization); to use or disclose your health information for marketing activities not described above; and prior to selling your health information to any third party. Note that psychotherapy notes are the personal notes of a mental health professional that document or analyze the contents of a counseling session and are kept separate from the rest of your medical record. Routine mental health information – such as your diagnosis, medications, treatment plan, session times, or progress notes – is part of your regular medical record and is not considered psychotherapy notes under federal law. Any other use and disclosures not described in this Notice will be made only with your written authorization.

- **Special Note.** Once your health information is disclosed for permitted purposes or according to your request, it may be subject to redisclosure and no longer protected by federal regulations.

YOUR RIGHTS REGARDING HEALTH INFORMATION ABOUT YOU

You have the following rights regarding health information VIVA HEALTH maintains about you. For information on the application of these rights to health information maintained by your GHP (if applicable), please contact your GHP's Privacy Officer.

- **Right to Inspect and Obtain a Copy.** You have the right to inspect and obtain a copy of your health information maintained by VIVA HEALTH except in limited circumstances. Enrollment, payment, claims processing, case/care management and medical management records held by VIVA HEALTH are included in this right, but not psychotherapy notes, information compiled for use in a legal proceeding, and certain research records while the research is ongoing. We may deny your request if a licensed health care professional determines that access is reasonably likely to endanger your life or physical safety, or that of another person.

Additionally, we are prohibited by law from knowingly engaging in Information Blocking. We will not engage in any practice that is likely to interfere with, prevent, or discourage your access, exchange, or use of your electronic health information.

To inspect or obtain a copy of your health information held by VIVA HEALTH, submit a written request to VIVA HEALTH's Privacy Officer (see contact information later in this Notice). If you request a paper or electronic copy of the information, we may charge a reasonable, cost-based fee for copying, mailing or other supplies associated with your request.

In certain limited circumstances, we may deny your request to inspect and obtain a copy of your health information. If your request is denied, you will receive a written notice explaining the reason for the denial and how to request a review by another licensed health care professional, when applicable.

- **Right to Amend.** If you feel that the health information we have about you is incorrect or incomplete, you have the right to request an amendment. You may request an amendment for as long as the information is maintained by or for VIVA HEALTH.

Your request for amendment must be made in writing on the required form, identify the specific records you wish to amend, explain why you believe the information is incorrect or incomplete, and be submitted to VIVA HEALTH's Privacy Officer (see contact information later in this Notice).

We may deny your request for amendment in certain limited circumstances. If we deny your request, we will provide a written explanation of the reason for the denial and describe your options, including your right to submit a written statement of disagreement or to have your request included with your record.

- **Right to an Accounting of Disclosures.** You have the right to request an "accounting of disclosures" which is a list of certain disclosures of your health information that we made to others without your written authorization. The accounting includes disclosures such as those made in response to a court order, subpoena or to a public health authority but does not include disclosures exempted by law. For example, an accounting of disclosures does not include disclosures for treatment, payment, or health care operations purposes.

The right to an accounting applies only to disclosures, not to internal uses or routine access to your electronic health record. You are not entitled to receive a list of the individual staff members, health care providers, or other personnel who have viewed or used your health record for purposes of treatment, payment, or health care operations. These internal uses are permitted under law and are not part of the accounting of disclosures.

To request an accounting of disclosures, you must submit your request in writing on the required form to VIVA HEALTH's Privacy Officer (see contact information later in this Notice). Your request must specify a time period that may not be longer than six years before the date of your request and should indicate the format in

which you would like the list (for example, on paper or electronically). The first accounting you request within a 12-month period will be provided at no charge. For additional lists, we may charge you for the cost before the list is prepared, and you may choose to withdraw or modify your request to reduce or avoid the fee.

- **Right to Request Restrictions.** You have the right to request that we restrict or limit how we use or disclose your health information for treatment, payment, or health care operations. You also have the right to request a limit on your health information we disclose to someone who is involved in your care or the payment for your care, like a family member or friend. For example, you could ask that we not use or disclose information about a surgery you had.

We are not required to agree to your request in most circumstances. However, we must agree to your request if you ask us not to disclose your information to family members or friends involved in your care or payment for your care. If we do agree to your request, we will comply with your request unless the information is needed to provide you with emergency treatment or we are required by law to disclose it. If we deny your request, we will tell you why and explain your options.

To request a restriction, you must submit your request in writing on the required form to VIVA HEALTH's Privacy Officer (see contact information later in this Notice). Your request must specify (1) what information you want to limit; (2) whether you want to limit our use, disclosure or both; and (3) to whom the limits should apply, for example, disclosures to a family member.

- **Right to Request Confidential Communications.** You have the right to request that we communicate with you about health matters in a certain way or at a certain location. For example, you may ask that we contact you at work only, by mail, or at a certain address or telephone number.

To request confidential communications, you must make your request in writing on the required form to VIVA HEALTH's Privacy Officer (see contact information later in this Notice) and specify how or where you wish to be contacted. We will not ask you the reason for your request and we will accommodate all reasonable requests. We will always accommodate a request if you state that the disclosure of all or part of your health information could endanger you.

- **Right to Revoke Authorization.** You have the right to revoke, in writing, any authorization you have provided to use or disclose your health information except to the extent that action has already been taken in reliance on your authorization. To revoke an authorization, you must submit your written request to VIVA HEALTH's Privacy Officer (see contact information later in this Notice). Please note that we cannot retract any disclosures we have already made based on your authorization before it was revoked.
- **Right to a Paper Copy of This Notice.** You have the right to a paper copy of this Notice. You may ask us to give you a copy of this Notice at any time. Even if you have agreed to receive this Notice electronically, you are still entitled to a paper copy.

You may obtain a copy of this Notice on our website, www.vivahealth.com or by calling VIVA HEALTH's Customer/Member Services Department (phone numbers are listed on your health plan ID card).

YOUR RESPONSIBILITIES FOR PROTECTING HEALTH INFORMATION

As a member of VIVA HEALTH, you are expected to help us safeguard your health information. For example, you are responsible for letting us know if you have a change in your address, email or phone number. You are also responsible for keeping your health plan ID card safe. If you have on-line access to Plan information, you are responsible for establishing a password and protecting it. If you suspect someone has tried to access your records or those of another member without approval, you are responsible for letting us know as soon as possible so we can work with you to determine if additional precautions are needed.

CHANGES TO THIS NOTICE

We reserve the right to change the terms of this Notice at any time. Any revised Notice will apply to health information we already have about you as well as any information we receive in the future. If we make a material

change to this Notice, the updated Notice will be distributed to all Subscribers covered by VIVA HEALTH, either by your Plan Sponsor (if applicable) or by VIVA HEALTH, and will be posted on our website at www.vivahealth.com.
