Section 1 – Introduction

This directory provides a list of Viva Medicare's network providers in the Open Provider System. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your **P**rimary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP. If you do not select a PCP, Viva Medicare will select one on your behalf and notify you. If you would like to change to a different PCP, please call Viva Medicare Member Services at the number listed on page 2 of this directory. You do not need a referral (approval your PCP requests from the plan) to see a specialist. You may simply call the specialist's office for an appointment. For more information about this, see Chapter 3, Section 2.3 of your Evidence of Coverage.

The network providers listed in this directory have agreed to provide you with your health care, vision, and dental services. You may go to any of our network providers listed in this directory. Directories for other provider systems are available from Member Services and online at www.VivaHealth.com/Medicare. To change provider systems, you must call Member Services and choose a PCP in the provider system you wish to join.

Your PCP's name and telephone number are listed on your Viva Medicare member identification card. It is very important that you present this identification card, not your Medicare card, whenever you receive medical care or get a prescription filled (if your Viva Medicare plan has prescription benefits). This will help ensure you receive services from providers contracted by Viva Medicare. Prior authorization is when you must receive approval in advance to get certain services or certain drugs. Some in-network medical services and drugs are covered only if your doctor or other network provider gets "prior authorization" from our plan. Services requiring prior authorization are marked in italics in the Medical Benefits Chart in Chapter 4 of your Viva Medicare Evidence of Coverage. If your plan includes Part D prescription benefits, covered drugs that need prior authorization are marked in the formulary (list of covered drugs).

Section 1 – Introduction Continued

You must use network providers in your provider system except in emergency or urgent care situations or for out-of-area renal dialysis services. You may get emergency services from the closest available provider, and you may get urgently needed services from any qualified provider when out of the plan's service area or when network providers are unavailable. If you get routine care from out-of-network providers without prior authorization from the plan, neither Medicare nor Viva Medicare will be responsible for the costs. In the case of urgent and emergent care or out-of-area dialysis, if an out-of-network provider sends you a bill, you should not pay that bill. Please contact Member Services or send the bill to Viva Medicare so we can determine the amount you owe, if any.

Viva Medicare monitors the accessibility of our providers for appointment availability, in-office wait time, and after hours care. Our standards for wait times are as follows:

Appointment Type: Emergent/Urgent Services

A patient with a life-threatening situation, an unforeseen illness or an injury.

Time Elapsed Standard: Appointment available/patient seen immediately.

Appointment Type: Post-Discharge Follow Up

A patient who is discharged from the hospital.

Time Elapsed Standard: Appointment available within 7 calendar days of the discharge notice.

Appointment Type: Non-Emergent/Non-Urgent Services

A patient requiring services that are non-emergent or non-urgent, yet the patient requires medical attention.

Time Elapsed Standard: Appointment available within 7 business days of request.

Appointment Type: Routine/Preventive Care

A patient with a routine care or preventive health need.

Time Elapsed Standard: Appointment available within 30 business days of request.

In-Office Wait Times

For scheduled appointments, the wait time from the time the member is triaged to seeing the provider should be 15 minutes or less (except if the provider is called away for an emergency). If wait time is greater than 15 minutes, the member should be informed of the circumstances and/or provided an alternative appointment.

How do you find Viva Medicare providers who serve your area?

When you select a PCP, you are also choosing your provider system. If you choose a PCP in this directory, you will be part of our Open Provider System. This means you will see your PCP for primary care and can use any Viva Medicare contracted provider for other services such as hospital and specialist care. You may change your PCP at any time by calling Member Services at the number at the end of this section.

This directory provides a listing of all network Viva Medicare facilities and providers. Providers are listed in the following order: Hospitals, Health Centers and Urgent Care Facilities, Primary Care Providers, Specialists (in alphabetical order by specialty), Mental Health Providers, and Ancillary Providers, such as ambulance, diagnostic services, DME (durable medical equipment), home health, home infusion, lab, physical therapy, surgery and dialysis centers, prosthetics/orthotics, and skilled nursing facilities. Viva Medicare members can go to any Medicare-approved hospice facility. To find the page where a particular provider is listed, please see the index at the end of this directory.

If a PCP has a next to his/her name, the doctor will only accept existing patients (patients the doctor already has a relationship with).

If you have both Medicare and Medicaid as a Full Benefit Dual Eligible (FBDE), Qualified Medicare Beneficiary Plus (QMB Plus), Qualified Medicare Beneficiary Only (QMB Only), or Specified Low-Income Medicare Beneficiary Plus (SLMB Plus), Viva Medicare has a special agreement with the Alabama Medicaid Agency. Under this agreement, Viva Medicare pays Medicaid's full share of the cost for all Medicare-covered medical services. Therefore, our members do not have to worry whether their Viva Medicare provider also accepts Medicaid.

Section 1 – Introduction Continued

How do you find Viva Medicare providers who serve your area?

Certain drugs are covered under Medicare Part B. Many of these drugs require prior authorization from Viva Medicare (see your Evidence of Coverage for more information). Generally, you must receive Medicare Part B drugs from a network provider listed in this directory. Sometimes these drugs are provided by a physician, home infusion, or infusion therapy provider.

If you have Part D prescription drug coverage through Viva Medicare, please see your Pharmacy Directory for a listing of network pharmacies where you can obtain Part D drugs.

Some drugs can be covered under either Medicare Part B or Part D, depending on the circumstances. If your Viva Medicare plan includes Part D prescription drug coverage, prescriptions for these drugs may be filled at network pharmacies even when they are covered under Medicare Part B.

If you have questions about Viva Medicare or require assistance in selecting a PCP, please call our Member Services Department at 1-800-633-1542 (toll-free), Monday – Friday, 8 a.m. – 8 p.m. (October 1 – March 31: seven days a week, 8 a.m. – 8 p.m.). TTY users should call 711. You can also visit www.VivaHealth.com/Medicare.
