## New 2026 Pharmacy Benefit

As of January 1, 2026, our VIVA MEDICARE members will be able to fill their prescriptions for 100-day supplies at their pharmacy\*. We hope this can improve our members' ability to access their medication. When writing prescriptions for your VIVA MEDICARE members in 2026, please consider writing for a 100-day supply when you feel it may be appropriate.

**\*Please note** that specialty medications and some controlled substances may not be filled for 100-day supplies.
