Attachment A to Certificate of Coverage

The Plan's services and benefits, with their coinsurance, and some of the limitations, are listed below. Please remember that this is only a brief listing. For further information, plan guidelines, and exclusions, please see the Certificate of Coverage. This health plan is part of a consumer-driven health plan that pairs the health plan benefits with a health savings account (HSA). Funds distributed into an HSA for use with this health plan, up to the annual contribution limit, are tax-deductible and funds in an HSA grow tax-free. You can withdraw funds from your HSA to pay for qualified medical expenses, like deductibles and coinsurance, without penalty. To be eligible for an HSA you must be covered under a high deductible health plan, among other requirements set forth by the IRS.

Please keep this Attachment A for your records.
